**THIRD AMENDMENT**  
**TO**  
**MASTER CONTRACT NO. 01117**  
**DUMP BODIES, SNOWPLOWS VARIOUS TYPES, CONTROLS AND SERVICES**

This Third Amendment (“Amendment”) to Master Contract No. 01117 is made and entered into by and between the State of Washington acting by and through the Department of Enterprise Services, a Washington State governmental agency (“Enterprise Services”) and Viking- Cives Midwest, a Missouri Corporation Company (“Contractor”) and is dated and effective as of November 1,2022.

**RECITALS**

- A. Pursuant to Legislative authorization, Enterprise Services, on behalf of the State of Washington, is authorized to develop, solicit, and establish master contracts for goods/services to support Washington state agencies. See RCW 39.26.050(1). The Washington State Legislature also has authorized Enterprise Services to make these master contracts available, pursuant to agreement in which Enterprise Services ensures full cost recovery, to other local or federal government agencies or entities, public benefit nonprofit organizations, and any tribes located in the State of Washington. See RCW 39.26.050(1) & (2).
- B. To provide a cost-effective and efficient procurement solution for state agencies and other eligible purchasers, Enterprise Services typically develops multi-year Master Contracts. Such Master Contracts establish pricing and, where appropriate, price adjustments over the term of the Master Contract.
- C. Enterprise Services and Contractor (collectively the “Parties”) entered into that certain Master Contract No. 01117 dated effective as of May 1,2018 (“Master Contract”).
- D. The Parties previously amended the Master Contract 01117 as follows:
  - a. First Amendment dated March 30,2020- Contract Extension
  - b. Second Amendment dated March 31,2022- Contract Extension
- E. Enterprise Services and Contractor are witnessing unanticipated costs increases pertaining to certain raw materials, components, and logistical supply constraints that are unexpectedly tensioning pricing pertaining to this Master Contract. Accordingly, the Parties now desire to

amend the Master Contract to address certain unanticipated cost increases and provide temporary an equitable, temporary price adjustment consistent with the purpose of this Master Contract.

F. The amendment set forth herein is within the scope of the Master Contract.

## AGREEMENT

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the Parties hereby agree to amend the Master Contract, as previously amended, as follows:

1. TEMPORARY PRICE ADJUSTMENT. The Master Contract is amended to add the following provision:

TEMPORARY PRICE ADJUSTMENT. Notwithstanding any provision to the contrary, beginning August 1, 2022, upon written request by Contractor, Enterprise Services will review, evaluate, and, as appropriate in its sole determination, approve temporary price adjustments pertaining to Master Contract goods/services impacted by unexpected costs that are beyond the Master Contract's applicable price adjustment procedures, if any; *Provided, however, that:*

- (a) Contractor must request such temporary price adjustment in writing and set forth the unexpected costs that are adversely impacting Contractor's specific Master Contract goods/services;
- (b) The unexpected costs must be unanticipated, beyond the reasonable control of Contractor, and impacting Contractor's industry/market segment (if the unexpected costs only are impacting Contractor and not its competitors, there will be no temporary price adjustment);
- (c) The unexpected costs must not be part of any other price adjustment (e.g., a PPI inflation adjustment) allowed or provided by the Master Contract and, if granted by Enterprise Services, the impact of any temporary price adjustment will be considered by Enterprise Services and factored into any other price adjustments as allowed or provided by the Master Contract;
- (d) Contractor must propose to Enterprise Services a reasonable, temporary price adjustment that, based on a material input percentage basis (or similar appropriate metric) for the goods/services equitably aligns Master Contract prices for impacted goods/services with the Master Contract's allocation of risk/return (e.g., Contractor's margin);
- (e) Contractor must document to Enterprise Services that Contractor already has implemented equivalent or greater price adjustments for Contractor's goods/services to other non-affiliated customers outside of the Master Contract based on the unexpected costs identified to Enterprise Services;
- (f) Contractor, acting in good faith, also must evaluate and, as appropriate, propose temporary price adjustments if costs for Contractor's Master Contract goods/services have unexpectedly decreased;
- (g) Enterprise Services, acting in good faith, will have sole discretion to approve the scope, amount, and duration of any temporary price adjustment;

- (h) Any such temporary price adjustment will be temporary and will include a stated period that will not exceed 92 days (Contractor, if circumstances warrant, may seek a subsequent temporary price adjustment); and
- (i) Unless and until a temporary price adjustment is approved in writing by Enterprise Services, Contractor will not adjust Master Contract prices.

2. SECTION 3.3 PRICE ADJUSTMENTS is deleted in its entirety and replaced with the following:

SECTION 3.3 ECONOMIC ADJUSTMENT. The Contract Prices set forth herein are firm and fixed for one year from the effective date of this Master Contract. Beginning twelve (12) months after the effective date of this Master Contract and for every annual anniversary thereafter, Contractor may request an annual price adjustment. Requests for price adjustments must be made in writing and be received at least thirty (30) days prior to the adjustment date (the annual anniversary of the effective date of the Master Contract). In the event Contractor fails to timely request a price adjustment, Enterprise Services, at its sole discretion, may allow an untimely adjustment; *Provided*, however, that such adjustment will not be effective for any time prior to Enterprise Services' price adjustment. Price adjustments will be made in accordance with the percentage change in the United States Department of Labor, Bureau of Labor and Statistics (BLS) Produce Price Index (PPI), Commodity Groups;

Item Code PCU336211336211 Motor Vehicle Body Mfg. – Will be applied to all snowplows, eliminating the need for a cost breakdown. (Cat A, Cat B, Cat C, Cat D, Cat E, Cat F, Cat G, Cab Guard, All Hydro. Pkg., All Plow Categories)

Item Code PCU3362113362115A Dump Truck Bodies – Will be applied to all dump truck bodies, eliminating the need for a cost breakdown. (Cat C, Cat D, Cat E)

Issued every December of each contract term, the percentage difference between the PPI issued for December, of the previous year will be used for the based period index for example:

In December 2021 the base period index will be December 2020

In December 2022 the base period index will be December 2021

The PPI issued for each December of each year of adjustment will determine the maximum allowable adjustment of the original contract prices. No retroactive contract price adjustments will be allowed. The economic adjustment shall be calculated as follows:

$$\text{New Price} = \text{Old Price} \times (\text{Current Period Index} / \text{Base Period Index}).$$

Only final PPI data will be used to adjust contract pricing. This Master Contract will use seasonally unadjusted indexes. If an index becomes unavailable, Enterprise Services shall substitute a proxy index. If there is not a direct substitute, the next higher aggregate index available will be used.

- 3. NO CHANGE OTHER THAN AMENDMENT. Except as amended herein, the Master Contract is unaffected and remains in full force and effect.
- 4. INTEGRATED AGREEMENT; MODIFICATION. This Amendment constitutes the entire agreement and understanding of the Parties with respect to the subject matter and supersedes all prior

negotiations and representations. In the event of any conflict between this Amendment and the Master Contract or any earlier amendment, this Amendment shall control and govern. This Amendment may not be modified except in writing signed by the Parties.

5. **AUTHORITY.** Each party to this Amendment, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Amendment and that its execution, delivery, and performance of this Amendment has been fully authorized and approved, and that no further approvals or consents are required to bind such party.
6. **ELECTRONIC SIGNATURES.** An electronic signature of this Amendment or any other ancillary agreement shall be deemed to have the same legal effect as delivery of an original executed copy of this Amendment or such other ancillary agreement for all purposes.
7. **COUNTERPARTS.** This Amendment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which counterparts together shall constitute the same instrument which may be sufficiently evidenced by one counterpart. Execution of this Amendment at different times and places by the parties shall not affect the validity thereof so long as all the parties hereto execute a counterpart of this Amendment.

EXECUTED AND EFFECTIVE as of the day and date first above written.
