RECITALS

A. State and Contractor (collectively the "Parties") entered into that certain Contract No. 01117 for Dump Bodies, Snowplows Various Types, Controls & Services dated effective as of May 1, 2018 ("Contract").

B. The Parties previously amended the Contract two times:

a. First Amendment to Contract (dated March 3, 2020) to extend the term of the Contract twenty-four (24) months ending April 30, 2022;

AGREEMENT

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the Parties hereby agree to amend the Contract, as previously amended, as follows:

1. TEMPORARY PRICE ADJUSTMENT. The Contract is amended to add the following provision:

> TEMPORARY PRICE ADJUSTMENT. Notwithstanding any provision to the contrary, beginning December 15, 2022, upon written request by Contractor, Enterprise Services will review, evaluate, and, as appropriate in its sole determination, approve temporary price adjustments pertaining to Contract goods/services impacted by unexpected costs that are

beyond the Contract's applicable price adjustment procedures, if any; *Provided*, however, that:

(a) Contractor must request such temporary price adjustment in writing and set forth the unexpected costs that are adversely impacting Contractor's specific Contract goods/services;

(b) The unexpected costs must be unanticipated, beyond the reasonable control of Contractor, and impacting Contractor's industry/market segment (if the unexpected costs only are impacting Contractor and not its competitors, there will be no temporary price adjustment);

(c) The unexpected costs must not be part of any other price adjustment (e.g., a PPI inflation adjustment) allowed or provided by the Contract and, if granted by Enterprise Services, the impact of any temporary price adjustment will be considered by Enterprise Services and factored into any other price adjustments as allowed or provided by the Contract;

(d) Contractor must propose to Enterprise Services a reasonable, temporary price adjustment that, based on a material input percentage basis (or similar appropriate metric) for the goods/services equitably aligns Contract prices for impacted goods/services with the Contract's allocation of risk/return (e.g., Contractor's margin);

(e) Contractor must document to Enterprise Services that Contractor already has implemented equivalent or greater price adjustments for Contractor's goods/services to other non-affiliated customers outside of the Contract based on the unexpected costs identified to Enterprise Services;

(f) Contractor, acting in good faith, also must evaluate and, as appropriate, propose temporary price adjustments if costs for Contractor's Contract goods/services have unexpectedly decreased;

(g) Enterprise Services, acting in good faith, will have sole discretion to approve the scope, amount, and duration of any temporary price adjustment;

(h) Any such temporary price adjustment will be temporary and will include a stated period that will not exceed 180 days (Contractor, if circumstances warrant, may seek a subsequent temporary price adjustment); and

(i) Unless and until a temporary price adjustment is approved in writing by Enterprise Services, Contractor will not adjust Contract prices.

2. SECTION 3.3 PRICE ADJUSTMENTS is deleted in its entirety and replaced with the following:

SECTION 3.3 ECONOMIC ADJUSTMENT. The Contract Prices set forth herein are firm and fixed for one year from the effective date of this Contract. Beginning twelve (12) months after the effective date of this Contract and for every annual anniversary thereafter, Contractor may request an annual price adjustment. Requests for price adjustments must be made in writing and be received at least thirty (30) days prior to the adjustment date (the annual anniversary of the effective date of the Contract). In the event Contractor fails to timely request a price adjustment, Enterprise Services, at its sole discretion, may allow an untimely adjustment; *Provided*, however, that such adjustment will not be effective for any time prior to Enterprise Services' price adjustment. Price adjustments will be made in accordance with the percentage change in the United States

Department of Labor, Bureau of Labor and Statistics (BLS) Produce Price Index (PPI), Commodity Groups;

Item Code PCU336211336211 Motor Vehicle Body Mfg. – Will be applied to all snow plows, eliminating the need for a cost breakdown. (Cat A, Cat B, Cat C, Cat D, Cat E, Cat F, Cat G, Cab Guard, All Hydro. Pkg., All Plow Categories)

Item Code PCU3362113362115A Dump Truck Bodies – Will be applied to all dump truck bodies, eliminating the need for a cost breakdown. (Cat C, Cat D, Cat E)

Issued every December of each contract term, the percentage difference between the PPI issued for December, of the previous year will be used for the based period index for example:

In December 2022 the base period index will be December 2021
In December 2023 the base period index will be December 2022

The PPI issued for each December of each year of adjustment will determine the maximum allowable adjustment of the original contract prices. No retroactive contract price adjustments will be allowed. The economic adjustment shall be calculated as follows:

New Price = Old Price x (Current Period Index/Base Period Index).

Only final PPI data will be used to adjust contract pricing. This Contract will use seasonally unadjusted indexes. If an index becomes unavailable, Enterprise Services shall substitute a proxy index. If there is not a direct substitute, the next higher aggregate index available will be used.

3. NO CHANGE OTHER THAN AMENDMENT. Except as amended herein, the Contract is unaffected and remains in full force and effect.

4. INTEGRATED AGREEMENT; MODIFICATION. This Amendment constitutes the entire agreement and understanding of the Parties with respect to the subject matter and supersedes all prior negotiations and representations. In the event of any conflict between this Amendment and the Contract or any earlier amendment, this Amendment shall control and govern. This Amendment may not be modified except in writing signed by the Parties.

5. AUTHORITY. Each party to this Amendment, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Amendment and that its execution, delivery, and performance of this Amendment has been fully authorized and approved, and that no further approvals or consents are required to bind such party.

6. ELECTRONIC SIGNATURES. An electronic signature or electronic record of this Amendment or any other ancillary agreement shall be deemed to have the same legal effect as delivery of an original executed copy of this Amendment or such other ancillary agreement for all purposes.

7. COUNTERPARTS.
