RECITALS

- A. The Washington State Legislature created Enterprise Services to function, in part, as Washington State's central procurement authority for goods and/or services and authorized Enterprise Services to enter into contracts on behalf of the State to provide goods and/or services for state agencies and other designated entities. See RCW 43.19.005 and 43.19.011; *see also*, RCW 39.26.050.
- B. The Washington State Legislature further authorized Enterprise Services, on behalf of the State of Washington, to participate in cooperative purchasing agreements with designated entities (e.g., other states engaged in public procurement for goods and/or services) to utilize their competitively solicited and awarded contracts to procure goods and/or services and to make such contracts available to Washington state agencies and designated eligible purchasers, to function as enterprise procurement solutions, consistent with terms and conditions set forth by Enterprise Services. See RCW 39.26.060.
- C. The above-referenced Cooperative Purchasing Contract is the result of a competitive solicitation process undertaken by the above-referenced Lead State, in collaboration with

NASPO ValuePoint, which is a division of the National Association of State Procurement Officials (NASPO), a non-profit public procurement association.

- D. Enterprise Services timely provided public notice of the Lead State's competitive solicitation process through Washington's Electronic Business Solutions system which functions, in part, as Washington's bid notification system. See RCW 39.26.150.
- E. The Lead State, as part of its competitive solicitation process, evaluated all responses to its procurement and identified Contractor as an apparent successful bidder and awarded a Cooperative Purchasing Contract to Contractor. Accordingly, Contractor is authorized, pursuant to such Cooperative Purchasing Contract, to enter into a Participating Addendum with interested Participating States.
- F. Enterprise Services, on behalf of the State of Washington, has determined that, as conditioned by this Participating Addendum, participating in the Cooperative Purchasing Contract, as a Participating State, is in the best interest of the State of Washington.
- G. Accordingly, this Participating Addendum enables Purchasing Entities, as defined herein, to utilize the Cooperative Purchasing Contract, as conditioned by this Participating Addendum, to purchase goods and/or services as set forth in the Cooperative Purchasing Contract.
