- B. The amendment set forth herein is within the scope of the Contract.
- C. The Parties now desire to amend the Contract as set forth herein.

AGREEMENT

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the Parties hereby agree to amend the Contract, as previously amended, as follows:

1. **ECONOMIC ADJUSTMENT.** Section 3.3 of this Contract (Economic Adjustment) is hereby amended by deleting the existing section 3.3 in its entirety and inserting the following in lieu thereof:

ECONOMIC ADJUSTMENT. The Contract Prices set forth herein are firm and fixed for twelve (12) months after the effective date of this Master Contract. Beginning twelve (12) months after the effective date of this Master Contract, Contractor may request a price adjustment. Requests for price adjustments must be made in writing and be received at least thirty (30) days prior to the adjustment date. In the event Contractor fails to timely request a price adjustment, Enterprise Services, at its sole discretion, may allow an untimely adjustment; *Provided*, however, that such adjustment will not be effective for any time prior to Enterprise Services' price adjustment. Price adjustments will be made in accordance with the percentage change (whether up or down) in the United States Department of Labor, Bureau of Labor and Statistics (BLS) Produce Price Index (PPI) indices described below, for the most recent year. Economic adjustment will lag one (1) calendar quarter past the Contract commencement date

to allow for publication of BLS data. All calculations for the index shall be based upon the latest version of data published as of February each year. Prices shall be adjusted in March. If an index is recoded (i.e., the recoded index is a direct substitute for the prior index according to the BLS), this Master Contract will use the recoded index, as applicable. If an index becomes unavailable, Enterprise Services shall substitute a proxy index. If there is not a direct substitute, the next higher aggregate index available will be used. The economic adjustment shall be calculated as follows and use the PPI data in the below chart:

$$\text{New Price} = \text{Old Price} \times (\text{Current Period Index} / \text{Base Period Index}).$$

2. **PRICING.** The Contract pricing for the goods/services is hereby amended by deleting the existing *Exhibit B – Prices for Goods and Services* in its entirety and inserting the attached ***Exhibit A – Prices for Goods and Services*** (dated March 15, 2023). As of the effective date of this Amendment, any reference to *Exhibit B – Prices for Goods and Services* shall be deemed to be a reference to the attached ***Exhibit A – Prices for Goods and Services*** (dated March 15, 2023).
3. **NO CHANGE OTHER THAN AMENDMENT.** Except as amended herein, the Contract is unaffected and remains in full force and effect.
4. **INTEGRATED AGREEMENT; MODIFICATION.** This Amendment constitutes the entire agreement and understanding of the Parties with respect to the subject matter and supersedes all prior negotiations and representations. In the event of any conflict between this Amendment and the Contract or any earlier amendment, this Amendment shall control and govern. This Amendment may not be modified except in writing signed by the Parties.
5. **AUTHORITY.** Each party to this Amendment, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Amendment and that its execution, delivery, and performance of this Amendment has been fully authorized and approved, and that no further approvals or consents are required to bind such party.
6. **ELECTRONIC SIGNATURES.** An electronic signature or electronic record of this Amendment or any other ancillary agreement shall be deemed to have the same legal effect as delivery of an original executed copy of this Amendment or such other ancillary agreement for all purposes.
7. **COUNTERPARTS.** This Amendment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which counterparts together shall constitute the same instrument which may be sufficiently evidenced by one counterpart. Execution of this Amendment at different times and places by the parties shall not affect the validity thereof so long as all the parties hereto execute a counterpart of this Amendment.
