2. **EARLY TRADE-IN PROGRAM.** Section 5.7 of the Contract (Early Trade-In Program) is hereby amended by deleting the existing Section 5.7 in its entirety and inserting the following in lieu thereof:

5.7 EARLY TRADE-IN PROGRAM. A trade in credit is offered on paid legacy weapons defined by age of equipment. Any weapon which is not the most-current model has a trade in value. Trade-in credits apply when Purchaser orders the most current model. The value is \$180 per handle or weapon traded in equal to the number of new handles being purchased by the agency.

Discounts on CEW-related line items, including items related to OSP, may only be applied as a trade-in credit. Purchaser must return used hardware and accessories associated with the discount ("Trade-In Units") to Axon within the timeframe in the "Unit Trade-In Days" table below. If items are received outside of the days listed in the table below, Axon will invoice Purchaser the value of the trade-in credit for those units. Destroyed Trade-in Units will not receive a credit.

Unit Trade-in Days	
Agency Size	Days to Return from Start date of Subscription
Less than 100 Officers	60 days
100-499 Officers	90 days
500+ Officers	180 days

3. **DUTY CARTRIDGE REPLENISHMENT PLAN.** The following provision is added as a new subsection at the end of Section 5 of the Contract (Using the Master Contract - Purchases).

SECTION 5.13 DUTY CARTRIDGE REPLENISHMENT PLAN. Upon request, Purchaser may participate in the Duty Cartridge Replenishment Plan. The Duty Cartridge Replenishment Plan provides unlimited duty replacements for live cartridges. Participation in the Plan is based on CEW user and must be included in Purchaser's original ordering paperwork. A CEW user includes officers that use a CEW in the line of duty and those that only use a CEW for training. There is no limit to the number of CEW user trade-in credits. The trade-in credit ratio is 1:1. Purchaser may not resell cartridges received. Axon will only replace cartridges used in the line of duty.

4. **FIREARM CLASSIFICATION.** The following is added as a new subsection at the end of Section 5 of the Contract (Using the Master Contract – Purchases).

SECTION 5.14 FIREARM CLASSIFICATION. Purchaser warrants that TASER 10 is classified as a firearm for official Purchaser's use pursuant to a law enforcement agency under the [Gun Control Act of 1968](#) regarding the sale and transfer of firearms.

5. **NO CHANGE OTHER THAN AMENDMENT.** Except as amended herein, the Contract is unaffected and remains in full force and effect.
6. **INTEGRATED AGREEMENT; MODIFICATION.** This Amendment constitutes the entire agreement and understanding of the Parties with respect to the subject matter and supersedes all prior negotiations and representations. In the event of any conflict between this Amendment and the Contract or any earlier amendment, this Amendment shall control and govern. This Amendment may not be modified except in writing signed by the Parties.

7. **AUTHORITY.** Each party to this Amendment, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Amendment and that its execution, delivery, and performance of this Amendment has been fully authorized and approved, and that no further approvals or consents are required to bind such party.
8. **ELECTRONIC SIGNATURES.** A signed copy of this Amendment or any other ancillary agreement transmitted by facsimile, email, or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original executed copy of this Amendment or such other ancillary agreement for all purposes.
9. **COUNTERPARTS.** This Amendment may be executed in one or more counterparts, each of which shall be deemed an original, and all of which counterparts together shall constitute the same instrument which may be sufficiently evidenced by one counterpart. Execution of this Amendment at different times and places by the parties shall not affect the validity thereof so long as all the parties hereto execute a counterpart of this Amendment.

EXECUTED AND EFFECTIVE as of the day and date first above written.
