11. CONTRACTOR SALES REPORTING; VENDOR MANAGEMENT FEE; & CONTRACTOR REPORTS.

- 11.1. **MASTER CONTRACT SALES REPORTING.** Contractor shall report total Master Contract sales quarterly to Enterprise Services, as set forth below.
 - (a) **Master Contract Sales Reporting System.** Contractor shall report quarterly Master Contract sales in Enterprise Services’ Master Contract Sales Reporting System. Enterprise Services will provide Contractor with a login password and a vendor number. The password and vendor number will be provided to the Sales Reporting Representative(s) listed on Contractor’s Bidder Profile.
 - (b) **Data.** Each sales report must identify every authorized Purchaser by name as it is known to Enterprise Services and its total combined sales amount invoiced during the reporting period (i.e., sales of an entire agency or political subdivision, not its individual subsections). The “Miscellaneous” option may be used only with prior approval by Enterprise Services. Upon request, Contractor shall provide contact information for all authorized Purchasers specified herein during the term of the Master Contract. If there are no Master Contract sales during the reporting period, Contractor must report zero sales.
 - (c) **Due dates for Master Contract Sales Reporting.** Quarterly Master Contract Sales Reports must be submitted electronically by the following deadlines for all Master Contract sales invoiced during the applicable calendar quarter:

QUARTER	FOR SALES MADE IN CALENDAR QUARTER ENDING	MASTER CONTRACT SALES REPORT	
		DUE BY	PAST DUE
1	January 1 – March 31	April 30	May 1
2	April 1 – June 30	July 31	August 1

QUARTER	FOR SALES MADE IN CALENDAR QUARTER ENDING	MASTER CONTRACT SALES REPORT	
		DUE BY	PAST DUE
3	July 1 – September 30	October 31	November 1
4	October 1 – December 31	January 31	February 1

11.2. VENDOR MANAGEMENT FEE. Contractor shall pay to Enterprise Services a vendor management fee (“VMF”) of 1.5 percent on the purchase price for all Master Contract sales (the purchase price is the total invoice price less applicable sales tax).

- (a) The sum owed by Contractor to Enterprise Services as a result of the VMF is calculated as follows:

$$\text{Amount owed to Enterprise Services} = \text{Total Master Contract sales invoiced (not including sales tax)} \times .015.$$

- (b) The VMF must be rolled into Contractor’s current pricing. The VMF must not be shown as a separate line item on any invoice unless specifically requested and approved by Enterprise Services.
- (c) Enterprise Services will invoice Contractor quarterly based on Master Contract sales reported by Contractor. Contractor is not to remit payment until Contractor receives an invoice from Enterprise Services. Contractor’s VMF payment to Enterprise Services must reference this Master Contract number, the year and quarter for which the VMF is being remitted, and Contractor’s name as set forth in this Master Contract, if not already included on the face of the check.
- (d) Contractor’s failure to report accurate total net Master Contract sales, to submit a timely Master Contract sales report, or to remit timely payment of the VMF to Enterprise Services, may be cause for Enterprise Services to suspend Contractor or terminate this Master Contract or exercise remedies provided by law. Without limiting any other available remedies, the parties agree that Contractor’s failure to remit to Enterprise Services timely payment of the VMF shall obligate Contractor to pay to Enterprise Services, to offset the administrative and transaction costs incurred by the State to identify, process, and collect such sums, the sum of \$200.00 or twenty-five percent (25%) of the outstanding amount, whichever is greater, or the maximum allowed by law, if less.
- (e) Enterprise Services reserves the right, upon thirty (30) days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases, and reserves the right to renegotiate Master Contract pricing with Contractor when any subsequent adjustment of the VMF might justify a change in pricing.

11.3. ANNUAL MASTER CONTRACT SALES REPORT. Contractor shall provide to Enterprise Services a detailed annual Master Contract sales report. Such report shall include, at a minimum:

- The Goods/Services sold (including, as applicable, item number or other identifier), per unit quantities sold, items and volumes purchased by Purchaser, shipment/delivery locations by Purchaser, Master Contract price, and % change in contract pricing (Cost + % Markup) over the past year.

This report must be provided in an electronic format that can be read by Microsoft (MS) Excel. Such report is due within thirty (30) calendar days of the annual anniversary of the effective date of this Master Contract.

12. RECORDS RETENTION & AUDITS.

- 12.1. RECORDS RETENTION. Contractor shall maintain books, records, documents, and other evidence pertaining to this Master Contract and orders placed by Purchasers under it to the extent and in such detail as shall adequately reflect contract performance and administration of purchases, payments, taxes, and fees. Contractor shall retain such records for a period of six (6) years following expiration or termination of this Master Contract or final payment for any order placed by a Purchaser against this Master Contract, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.
- 12.2. AUDIT. Enterprise Services reserves the right to audit, or have a designated third party audit, applicable records to ensure that Contractor properly has invoiced Purchasers and that Contractor has paid all applicable vendor management fees to Enterprise Services. Accordingly, Contractor shall permit Enterprise Services, any Purchaser, and any other duly authorized agent of a governmental agency, to audit, inspect, examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Master Contract or Purchase Orders placed by a Purchaser under this Master Contract for the purpose of making audits, examinations, excerpts, and transcriptions. This right shall survive for a period of six (6) years following expiration or termination of this Master Contract or final payment for any order placed by a Purchaser against this Master Contract, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved. No audit may make use of any sampling, extrapolation, or similar practice.
- 12.3. OVERPAYMENT OF PURCHASES OR UNDERPAYMENT OF FEES. Without limiting any other remedy available to any Purchaser, Contractor shall (a) reimburse Purchasers for any overpayments inconsistent with the terms of this Master Contract or Purchase Orders placed thereunder, at a rate of 125% of any such overpayments, found as a result of the examination of Contractor's records; and (b) reimburse Enterprise Services for any underpayment of vendor management fees, at a rate of 125% of such fees found as a result of the examination of Contractor's records (e.g., if Contractor underpays the Vendor Management Fee by \$500, Contractor would be required to pay to Enterprise Services $\$500 \times 1.25 = \625); *Provided*, however, that, in the event Contractor timely discovers and corrects any Purchaser overpayment or Contractor underpayment of vendor management fees and does so prior to the initiation of any audit, Contractor shall be entitled to reimburse Purchaser or pay to Enterprise Services the actual amount of such Purchaser overpayment or such underpayment of vendor management fees.

13. INSURANCE.

- 13.1. **REQUIRED INSURANCE.** Contractor, at its expense, shall maintain in full force and effect the insurance coverages set forth in *Exhibit C – Insurance Requirements*. All costs for insurance, including any payments of deductible amounts, shall be considered incidental to and included in the prices for Goods/Services and no additional payment shall be made to Contractor.
- 13.2. **WORKERS COMPENSATION.** Contractor shall comply with applicable workers compensation statutes and regulations (e.g., RCW Title 51, Industrial Insurance). If Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, Enterprise Services may terminate this Master Contract. This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from Contractor. If Contractor performs Services on Purchaser’s behalf in the State of Washington, and only to the extent of claims against Contractor by Purchaser under the Indemnity obligations in this Master Contract, Contractor expressly waives any immunity it may be granted under the Washington State Industrial Insurance Act, Title 51 RCW. Contractor’s indemnification obligation will not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable to or for any third party under workers’ compensation acts, disability benefit acts, or other employee benefit acts. The parties expressly acknowledge and certify that the waiver of immunity under Title 51 RCW was mutually negotiated and agreed upon.

14. CLAIMS.

- 14.1. **ASSUMPTION OF RISKS; CLAIMS BETWEEN THE PARTIES.** Contractor assumes sole responsibility and all risks of personal injury or property damage to itself and its employees and agents in connection with its operations under this Master Contract. Enterprise Services has made no representations regarding any factor affecting Contractor’s risks. Contractor shall pay for all damage to Purchaser’s property to the extent such damage results from Contractor’s negligent acts or omissions under this Master Contract.
- 14.2. **THIRD-PARTY CLAIMS; GENERAL INDEMNITY.** To the fullest extent permitted by law, Contractor shall defend and indemnify Enterprise Services and any Purchaser from and against all third-party claims, demands, judgments, damages, costs, or liabilities, including, without limitation, sums paid in settlement of claims, reasonable attorneys’ fees (collectively “Claims”) to the extent arising out of Contractor’s or its successors’, agents’ or subcontractors’ negligence or other tortious fault. The parties agree that if there are any limitations of Contractor’s liability, including a limitation of liability clause for anyone for whom the Contractor is responsible, such limitations of liability shall not apply to injuries to persons, including death, or to damages to property. Contractor shall take all steps needed to keep Purchaser’s property free of liens arising from Contractor’s activities, and promptly obtain or bond the release of any such liens that may be filed.
- 14.3. **INTELLECTUAL PROPERTY INDEMNITY.** To the extent of the indemnification provided by the manufacturer of the goods or subcontractor, Contractor shall defend, indemnify, and hold Enterprise Services and any Purchaser and their employees and agents harmless from against any and all Claims resulting from allegations of infringement of any patents, copyrights, trade secret, or similar intellectual property rights covering the Goods or Services provided, or the use of the Goods or Services under this Master Contract. If Purchaser’s use of Goods or Services provided by Contractor is enjoined based on an intellectual property infringement Claim, Contractor shall, at its own expense, either procure for Purchaser the right to continue

using the Goods or Services or, after consulting with Purchaser and obtaining Purchaser's consent, replace or modify the Goods or Services with substantially similar and functionally equivalent non-infringing Goods or Services. Contractor has no liability for any claim of infringement arising solely from: Contractor compliance with any designs, specifications or instructions of Purchaser; Modification of the Work Product by Purchaser or a third party without the prior knowledge and approval of Contractor; or Use of the Work Product in a way not specified by Contractor; unless the claim arose against Contractor's Work Product independently of any of these specified actions. Contractor will, to the extent possible, pass through or otherwise make available to Enterprise Services and Purchaser all indemnification, defense, and similar rights and protections available to Contractor from the applicable manufacturer, relating to the infringement or alleged infringement of any patent, copyright, trademark, or other intellectual property right by any product sold under this Master Contract.

15. DISPUTE RESOLUTION. The parties shall cooperate to resolve any dispute pertaining to this Master Contract efficiently, as timely as practicable, and at the lowest possible level with authority to resolve such dispute. If, however, a dispute persists and cannot be resolved, it may be escalated within each organization. In such situation, upon notice by either party, each party, within five (5) business days shall reduce its description of the dispute to writing and deliver it to the other party. The receiving party then shall have five (5) business days to review and respond in writing. In the event that the parties cannot then agree on a resolution of the dispute, the parties shall schedule a conference between the respective senior managers of each organization to attempt to resolve the dispute. In the event the parties cannot agree, either party may resort to court to resolve the dispute.

16. TERMINATION; EXPIRATION; SUSPENSION; & REMEDIES.

16.1. **TERMINATION.** This Master Contract may be terminated: (a) upon the mutual written agreement of the parties; (b) by the non-breaching party where the breach is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in this Master Contract; and (c) as otherwise expressly provided for in this Master Contract. This Master Contract shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate this Master Contract as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach will not affect rights or obligations accrued or owed before the effective date of the termination notice.

16.2. **TERMINATION FOR NON-APPROPRIATION OR REDUCTION OF FUNDS OR CHANGES IN LAW.** Enterprise Services may suspend or terminate this Master Contract and Purchasers may suspend or terminate applicable Purchase Orders, in whole or in part, at the sole discretion of Enterprise Services or, as applicable, Purchaser, if Enterprise Services or, as applicable, Purchaser reasonably determines that: (a) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Master Contract or applicable Purchase Order; or (b) that a change in available funds affects Purchaser's ability to pay under the applicable Purchase Order. A change of available funds as used in this section includes but is not limited to a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor. If a written notice is delivered under this provision, Purchaser will reimburse Contractor for

Goods properly ordered and/or Services properly performed until the effective date of said notice. Except as stated in this provision, in the event of termination for nonappropriation or reduction of funds or changes in law, Purchaser will have no obligation or liability to Contractor.

- 16.3. TERMINATION FOR PUBLIC CONVENIENCE. Enterprise Services, for public convenience, may terminate this Master Contract; *Provided*, however, that such termination for public convenience must, in Enterprise Services' judgment, be in the best interest of the State of Washington; and *Provided further*, that such termination for public convenience shall only be effective upon sixty (60) days prior written notice; and *Provided further*, that such termination for public convenience shall not relieve any Purchaser from payment for Goods/Services already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such termination for public convenience, neither Enterprise Services nor any Purchaser shall have any obligation or liability to Contractor.
- 16.4. EXPIRATION – OBLIGATIONS. Upon expiration of this Master Contract, Purchaser shall accept and take delivery of all outstanding and not yet fulfilled orders and pay Contractor the price as set out in the Master Contract.
- 16.5. CONTRACTOR OBLIGATIONS – EXPIRATION OR TERMINATION. Upon expiration or termination of this Master Contract, Contractor shall: (a) continue to fulfill its warranty obligations with respect to any Goods or Services sold hereunder and all provisions of the Master Contract that, by their nature, would continue beyond the expiration, termination, or cancellation of the Master Contract shall so continue and survive; and (b) promptly return to Purchaser all keys, badges, and other materials supplied by Purchaser for the performance of any Purchase Order entered into pursuant to this Master Contract.
- 16.6. DEFAULT. Any of the following events shall constitute cause for Enterprise Services to declare Contractor in default of this Master Contract:
- (a) Contractor fails to perform or comply with any of the terms or conditions of this Master Contract
 - (b) Contractor fails to timely report contract sales;
 - (c) Contractor fails to timely pay the vendor management fees when due; or
 - (d) Contractor breaches any representation or warranty provided herein.
- 16.7. SUSPENSION & TERMINATION FOR DEFAULT. Enterprise Services may suspend Contractor's operations under this Master Contract immediately by written cure notice of any default. Suspension shall continue until the default is remedied to Enterprise Services' reasonable satisfaction; *Provided*, however, that, if after thirty (30) days from such a suspension notice, Contractor remains in default, Enterprise Services may terminate Contractor's rights under this Master Contract. All of Contractor's obligations to Enterprise Services and Purchasers survive termination of Contractor's rights under this Master Contract, until such obligations have been fulfilled.
- 16.8. REMEDIES FOR DEFAULT.
- (a) Enterprise Services' rights to suspend and terminate Contractor's rights under this Master Contract are in addition to all other available remedies.
 - (b) In the event of termination for default, Enterprise Services may exercise any remedy provided by law including, without limitation, the right to procure for all Purchasers

replacement Goods and/or Services. In such event, Contractor shall be liable to Enterprise Services for any price difference between the Master Contract price and the replacement or cover price as well to cover re-procurement of the Goods and/or Services.

- 16.9. **LIMITATION ON DAMAGES.** Notwithstanding any provision to the contrary, the parties agree that in no event shall any party or Purchaser be liable to the other for exemplary, punitive, incidental, or consequential damages, including loss of profits or loss of revenue and Contractor's liability for damages shall not exceed \$500,000.00 for uninsured claims or Contractor's insurance coverage as set forth in the Contract and applicable to the claim; *Provided*, however, that nothing contained in this Section will in any way exclude or limit: (a) a party's liability for all direct damages to the extent arising out of that party's negligent acts or omissions; (b) the operation of any Goods or Services warranty provided in this Master Contract; or (c) damages subject to the Intellectual Property Indemnity section of this Master Contract. Any limitation of either party's obligations under this Master Contract, by delivery slips or other documentation is void.
- 16.10. **SUSPENSION/TERMINATION PROCEDURE.** Regardless of basis, in the event of suspension or termination (in full or in part), the parties shall cooperate to ensure an orderly and efficient suspension or termination. Accordingly, Contractor shall deliver to Purchasers all Goods and/or Services that are complete (or with approval from Enterprise Services, substantially complete) and Purchasers shall inspect, accept, and pay for the same in accordance with this Master Contract and the applicable Purchase Order. Unless directed by Enterprise Services to the contrary, Contractor shall not process any orders after notice of suspension or termination inconsistent therewith.

17. PUBLIC INFORMATION & PUBLIC RECORDS DISCLOSURE REQUESTS.

- 17.1. **WASHINGTON'S PUBLIC RECORDS ACT.** Unless statutorily exempt from public disclosure, this Master Contract and all related records are subject to public disclosure as required by Washington's Public Records Act, RCW 42.56.
- 17.2. **CONTRACTOR OBLIGATION.** Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records provided to Enterprise Services that Contractor believes are statutorily exempt from disclosure and identify the precise statutory basis for exemption from disclosure. In addition, if, in Contractor's judgment, certain portions of such records are not statutorily exempt from disclosure but are sensitive because particular portions of Contractor's records (NOT including pricing) include highly confidential, proprietary, or trade secret information (or the equivalent) that Contractor protects through the regular use of confidentiality or similar agreements and routine enforcements through court enforcement actions, Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records that include such sensitive information.
- 17.3. **ENTERPRISE SERVICES' OBLIGATION.** In the event that Enterprise Services receives a public records disclosure request pertaining to records that Contractor has submitted and marked either as (a) statutorily exempt from disclosure; or (b) sensitive, Enterprise Services, prior to disclosure, will do the following: Enterprise Services' Public Records Officer will review any records marked by Contractor as statutorily exempt from disclosure. In those situations, where the designation comports with the stated statutory exemption from disclosure, Enterprise Services will redact or withhold the record(s) as appropriate. For records marked 'sensitive' or for records where Enterprise Services determines that no statutory exemption to

disclosure applies or is unable to determine whether the stated statutory exemption to disclosure properly applies, Enterprise Services will notify Contractor, at the address provided in the Master Contract, of the public records disclosure request and identify the date that Enterprise Services intends to release the record(s) (including records marked 'sensitive' or exempt from disclosure) to the requester unless Contractor, at Contractor's sole expense, timely obtains a court order enjoining Enterprise Services from such disclosure. In the event Contractor fails to timely file a motion for a court order enjoining such disclosure, Enterprise Services will release the requested record(s) on the date specified. Contractor's failure properly to identify exempted or sensitive information or timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such records are exempt or protected from public disclosure.

18. GENERAL PROVISIONS.

- 18.1. **TIME IS OF IMPORTANCE.** Time is of importance for each and every provision of this Master Contract.
- 18.2. **FORCE MAJEURE.** Except for payment of sums due, neither party shall be liable to the other or deemed in breach under this Master Contract if, and to the extent that, such party's performance of this Master Contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that causes a delay that is beyond the control of the party affected and could not have been avoided by exercising reasonable diligence. Force majeure shall include acts of God, war, riots, strikes, fire, floods, epidemics, including, but not limited to, sourcing, shipment or delivery issues caused by, related to, or resulting from COVID-19 or other similar national or global health situations or other similar occurrences. If either party is delayed by force majeure, said party promptly shall provide written notification within forty-eight (48) hours. The notification shall detail and provide evidence of the force majeure to the satisfaction of the other party. Such excused delay shall cease as soon as practicable and prompt written notification of same shall likewise be provided. In no event shall force majeure extend the term of the Master Contract. After providing reasonable notice and allowing a ten (10) day period for Contractor to attempt to resource the material, Enterprise Services reserves the right to authorize an amendment to this Master Contract, suspend or terminate the Master Contract, and/or purchase Goods/Services from the best available source during the time of force majeure, and Contractor shall have no recourse against Enterprise Services or any Purchaser.
- 18.3. **COMPLIANCE WITH LAW.** Contractor shall comply with all applicable law. Contractor shall obtain all necessary permits and approvals and give all stipulations, certifications, and representations that may be required for it to perform this Master Contract.
- 18.4. **ENTIRE AGREEMENT.** This Master Contract constitutes the entire agreement and understanding of the parties with respect to the subject matter and supersedes all prior negotiations, representations, and understandings between them. There are no representations or understandings of any kind not set forth herein.
- 18.5. **AMENDMENT OR MODIFICATION.** Except as set forth herein, this Master Contract may not be amended or modified except in writing and signed by a duly authorized representative of each party.
- 18.6. **AUTHORITY.** Each party to this Master Contract, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to

enter into this Master Contract and that its execution, delivery, and performance of this Master Contract has been fully authorized and approved, and that no further approvals or consents are required to bind such party.

- 18.7. NO AGENCY. The parties agree that no agency, partnership, or joint venture of any kind shall be or is intended to be created by or under this Master Contract. Neither party is an agent of the other party nor authorized to obligate it.
- 18.8. INDEPENDENT CONTRACTOR. The parties intend that an independent contractor relationship is created by this Master Contract. Contractor and its employees or agents performing under this Master Contract are not employees or agents of Enterprise Services. Contractor shall not have authorization, express or implied, to bind Enterprise Services to any agreement, liability, or understanding, except as expressly set forth herein. Contractor and its employees and agents are not entitled to unemployment insurance or worker's compensation benefits through Enterprise Services or the State of Washington and Enterprise Services and the State of Washington will not pay for or otherwise provide such coverage for Contractor and its employees and agents.
- 18.9. ASSIGNMENT. Contractor may not assign its rights under this Master Contract without Enterprise Services' prior written consent and Enterprise Services may consider any attempted assignment without such consent to be void; *Provided*, however, that, if Contractor (a) provides written notice to Enterprise Services within thirty (30) days of such event and (b) timely executes Enterprise Services' Assignment, Assumption, and Consent Agreement, Contractor may assign its rights under this Master Contract in full to any parent, subsidiary, or affiliate of Contractor that controls or is controlled by or under common control with Contractor, is merged or consolidated with Contractor, or purchases a majority or controlling interest in the ownership or assets of Contractor. Unless otherwise agreed, Contractor guarantees prompt performance of all obligations under this Master Contract notwithstanding any prior assignment of its rights.
- 18.10. BINDING EFFECT; SUCCESSORS & ASSIGNS. This Master Contract shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
- 18.11. ASSIGNMENT OF ANTITRUST RIGHTS REGARDING PURCHASED GOODS/SERVICES. Contractor irrevocably assigns to Enterprise Services, on behalf of the State of Washington, any claim for relief or cause of action which Contractor now has or which may accrue to Contractor in the future by reason of any violation of state or federal antitrust laws in connection with any Goods and/or Services provided in Washington for the purpose of carrying out Contractor's obligations under this Master Contract, including, at Enterprise Services' option, the right to control any such litigation on such claim for relief or cause of action.
- 18.12. SEVERABILITY. If any provision of this Master Contract is held to be invalid or unenforceable, such provision shall not affect or invalidate the remainder of this Master Contract, and to this end the provisions of this Master Contract are declared to be severable. If such invalidity becomes known or apparent to the parties, the parties agree to negotiate promptly in good faith in an attempt to amend such provision as nearly as possible to be consistent with the intent of this Master Contract.
- 18.13. WAIVER. Failure of either party to insist upon the strict performance of any of the terms and conditions hereof, or failure to exercise any rights or remedies provided herein or by law, or to notify the other party in the event of breach, shall not release the other party of any of its obligations under this Master Contract, nor shall any purported oral modification or rescission

of this Master Contract by either party operate as a waiver of any of the terms hereof. No waiver by either party of any breach, default, or violation of any term, warranty, representation, contract, covenant, right, condition, or provision hereof shall constitute waiver of any subsequent breach, default, or violation of the same or other term, warranty, representation, contract, covenant, right, condition, or provision.

- 18.14. SURVIVAL. All representations, warranties, covenants, agreements, and indemnities set forth in or otherwise made pursuant to this Master Contract shall survive and remain in effect following the expiration or termination of this Master Contract, *Provided*, however, that nothing herein is intended to extend the survival beyond any applicable statute of limitations periods.
- 18.15. GOVERNING LAW. The validity, construction, performance, and enforcement of this Master Contract shall be governed by and construed in accordance with the laws of the State of Washington, without regard to any choice of law principles that would provide for the application of the laws of another jurisdiction.
- 18.16. JURISDICTION & VENUE. In the event that any action is brought to enforce any provision of this Master Contract, the parties agree to exclusive jurisdiction in Thurston County Superior Court for the State of Washington and agree that in any such action venue shall lie exclusively at Olympia, Washington.
- 18.17. ATTORNEYS' FEES. In the event of litigation or other action brought to enforce this Master Contract, each party shall bear its own attorneys' fees and costs.
- 18.18. FAIR CONSTRUCTION & INTERPRETATION. The provisions of this Master Contract shall be construed as a whole according to their common meaning and not strictly for or against any party and consistent with the provisions contained herein in order to achieve the objectives and purposes of this Master Contract. Each party hereto and its counsel has reviewed and revised this Master Contract and agrees that the normal rules of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be construed in the interpretation of this Master Contract. Each term and provision of this Master Contract to be performed by either party shall be construed to be both a covenant and a condition.
- 18.19. FURTHER ASSURANCES. In addition to the actions specifically mentioned in this Master Contract, the parties shall each do whatever may reasonably be necessary to accomplish the transactions contemplated in this Master Contract including, without limitation, executing any additional documents reasonably necessary to effectuate the provisions and purposes of this Master Contract.
- 18.20. EXHIBITS. All exhibits referred to herein are deemed to be incorporated in this Master Contract in their entirety.
- 18.21. CAPTIONS & HEADINGS. The captions and headings in this Master Contract are for convenience only and are not intended to, and shall not be construed to, limit, enlarge, or affect the scope or intent of this Master Contract nor the meaning of any provisions hereof.
- 18.22. ELECTRONIC SIGNATURES. An electronic signature or electronic record of this Master Contract or any other ancillary agreement shall be deemed to have the same legal effect as delivery of an original executed copy of this Master Contract or such other ancillary agreement for all purposes.

18.23. COUNTERPARTS. This Master Contract may be executed in any number of counterparts, each of which shall be deemed an original and all of which counterparts together shall constitute the same instrument which may be sufficiently evidenced by one counterpart. Execution of this Master Contract at different times and places by the parties shall not affect the validity thereof so long as all the parties hereto execute a counterpart of this Master Contract.

EXHIBIT 1**FEDERAL TRANSIT ADMINISTRATION ARTICLES****FOR PROCUREMENT CONTRACTS****I.****BUY AMERICA REQUIREMENTS****49 U.S.C. 5323(j)****49 CFR Part 661**

The Buy America requirements apply to the following types of contracts: Construction Contracts and Acquisition of Goods or Rolling Stock (valued at more than \$150,000).

The Buy America requirements flow down from FTA recipients and subrecipients to first tier Contractors, who are responsible for ensuring that lower tier contractors and subcontractors are in compliance. The \$150,000 threshold applies only to the grantee contract. Subcontracts under that amount are subject to Buy America.

Buy America

This Contract is subject to the Federal Transit Administration's (FTA's) Buy America requirements in 49 CFR Part 661 and 49 U.S.C. 5323 (j). The Contractor agrees to abide by its Buy America Certificate submitted with its bid/proposal.

The contractor agrees to comply with 49 U.S.C. 5323(j) and 49 C.F.R. Part 661, which provide that Federal funds may not be obligated unless steel, iron, and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 CFR 661.7, and include final assembly in the United States for 15 passenger vans and 15 passenger wagons produced by Chrysler Corporation, microcomputer

equipment and software. Separate requirements for rolling stock are set out at 5323(j)(2)(C) and 49 CFR 661.11. Rolling stock must be manufactured in the United States and have more than 70 percent domestic content for FFY2020 and beyond.

A bidder/proposer must submit to the State the appropriate Buy America certification (below) with all bids/proposals on FTA-funded contracts, except those subject to a general waiver. A bid/proposal that is not accompanied by a completed Buy America certification must be rejected as non-responsive. This requirement does not apply to lower tier subcontractors.

Compliance with FTA's Buy America requirements shall be deemed to satisfy 2 CFR § 200.322, "Domestic Preferences for Procurements".

The Recipient will comply with the limitation on certain rolling stock procurements at 49 U.S.C. § 5323(u).

II.

FLY AMERICA REQUIREMENTS

49 U.S.C. §40118

41 CFR Part 301-10

The Fly America requirements apply to the transportation of persons or property, by air, between a place in the U.S. and a place outside the U.S., or between places outside the U.S., when the FTA will participate in the costs of such air transportation. Transportation on a foreign air carrier is permissible when provided by a foreign air carrier under a code share agreement when the ticket identifies the U.S. air carrier's designator code and flight number. Transportation by a foreign air carrier is also permissible if there is a bilateral or multilateral air transportation agreement to which the U.S. Government and a foreign government are parties and which the Federal DOT has determined meets the requirements of the Fly America Act.

The Fly America requirements flow down from FTA recipients and subrecipients to first tier contractors, who are responsible for ensuring that lower tier contractors and subcontractors are in compliance.

Fly America

1. The Contractor agrees to comply with 49 U.S.C. 40118 (the "Fly America" Act) in accordance with the General Services Administration's regulations at 41 CFR Part 301-10, which provide that recipients and subrecipients of Federal funds and their contractors are required to use U.S. Flag air carriers for U.S Government-financed international air travel and transportation of their personal effects or property, to the extent such service is available, unless travel by foreign air carrier is a matter of necessity, as defined by the Fly America Act.
2. The Contractor shall submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a U.S. flag air carrier was not available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly America requirements.
3. The Contractor agrees to include the requirements of this section in all subcontracts that may involve international air transportation.

III.
CARGO PREFERENCE REQUIREMENTS

46 U.S.C. 55305

46 CFR Part 381

The Cargo Preference requirements apply to all contracts involving equipment, materials, or commodities which may be transported by ocean vessels.

The Cargo Preference requirements apply to all subcontracts when the subcontract may be involved with the transport of equipment, material, or commodities by ocean vessel.

Cargo Preference

1. to use privately owned United States-Flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to the underlying contract to the extent such vessels are available at fair and reasonable rates for United States-Flag commercial vessels;

3. to include these requirements in all subcontracts issued pursuant to this contract when the subcontract may involve the transport of equipment, material, or commodities by ocean vessel.

IV.**GOVERNMENT-WIDE DEBARMENT AND SUSPENSION****2 CFR Part 180
2 CFR Part 1200**

2 CFR Parts 180 and 1200 prohibit FTA recipients and sub-recipients from contracting for goods and services from organizations that have been suspended or debarred from receiving Federally-assisted contracts. As part of their applications each year, recipients are required to submit a certification to the effect that they will not enter into contracts over \$25,000 with suspended or debarred Contractors and that they will require their Contractors (and their subcontractors) to make the same certification to them. Contractors are also required to confirm whether a prospective lower-tier participant is debarred or suspended.

Contractors are required to pass this requirement on to subcontractors seeking subcontracts over \$25,000. Thus, the terms "lower tier covered participant" and "lower tier covered transaction" include both Contractors and subcontractors and contracts and subcontracts over \$25,000.

Debarment and Suspension

This Contract is subject to the Federal Transit Administration's (FTA's) debarment and suspension requirements in 2 CFR Parts 180 and 1200. The Contractor agrees to abide by the following certifications submitted with its bid/proposal: "Certification of Contractor Regarding Debarment, Suspension, and Other Responsibility Matters"; "Certification of Contractor Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction"; and corresponding certifications for subcontractors. The Contractor also agrees to (i) confirm whether a prospective participant in a lower tier covered transaction is debarred or suspended by checking the exclusion records maintained by the U.S. General Service Administration at <https://www.sam.gov/SAM/pages/public/searchRecords/search.jsf>; and (ii) pass on the same requirement to prospective lower tier participants.
