

PRICES AND INCLUDED GOODS/SERVICES

The "Materials Only" price shall be applicable exclusively to products that do not necessitate installation. The "Installation" price encompasses both materials and installation. Refer to Exhibit A – Specifications and Scope of Services for the specific inclusions of full-service installation.

All installation projects must meet a minimum project materials value of \$2,500. No installation work shall be scheduled or performed for a project materials value of less than \$2,500. The Parties may discuss and mutually agree to exceptions in writing.
