This Washington Statewide Contract (“Contract”) is made and entered into by and between the State of Washington acting by and through the Department of Enterprise Services, a Washington State governmental agency (“Enterprise Services”) and Uweport LLC, a North Carolina LLC (“Contractor”) and is dated and effective as of November 1, 2023.

RECITALS

- A. Pursuant to Legislative authorization, Enterprise Services, on behalf of the State of Washington, is authorized to develop, solicit, and establish enterprise procurement solutions, including statewide contracts, for goods and/or services to support Washington state agencies. See RCW 39.26.050(1). The Washington State Legislature also has authorized Enterprise Services to make these contracts available, pursuant to an agreement in which Enterprise Services ensures full cost recovery, to other local or federal government agencies or entities, public benefit nonprofit organizations, and any tribes located in the State of Washington. See RCW 39.26.050(1) & (2).
- B. Washington state agencies and other eligible purchasers periodically need to purchase medical personal protective equipment (Medical PPE or Goods and/or Services). Occasionally, such procurement need is widespread (e.g., a health pandemic) and numerous Washington state agencies and other eligible purchasers need to procure Medical PPE simultaneously and cannot defer procurements. Accordingly, on behalf of the State of Washington, Enterprise Services, as part of a competitive governmental procurement, issued Competitive Solicitation No. 12722 dated January 4, 2023 to solicit competitive bids and award Contracts to enable eligible purchasers to procure specified Medical PPE products from awarded Contractors in a cost-effective, efficient manner using the terms and conditions of the Contract.
- C. The Competitive Solicitation was structured to meet purchaser needs and designed to result in multiple Contracts, by procurement category, to create multiple resilient Medical PPE sourcing channels and enable Washington state agencies and other eligible purchasers, during both ordinary operations and emergency situations, to purchase Medical PPE in a cost-effective and efficient manner while reducing the risk of exhausting or overwhelming a more limited procurement solution. Pursuant to the Competitive Solicitation, Enterprise Services awarded Medical PPE Contracts for eighteen (18) different procurement Categories (Category/ies).
- D. Enterprise Services evaluated all responses to the Competitive Solicitation and identified Contractor as an apparent successful bidder for the above-referenced Medical PPE Category(ies).

- E. Enterprise Services has determined that entering into this Contract will meet the identified needs and be in the best interest of the State of Washington.
- F. The purpose of this Contract is to enable eligible purchasers to purchase the Goods and/or Services as set forth herein.

 - (d) All goods must be received by Purchaser at least three (3) months prior to product expiration date.
- 8.3. RECEIPT AND INSPECTION OF GOODS . Goods purchased under this Contract are subject to Purchaser’s reasonable inspection, testing, and approval at Purchaser’s destination. Purchaser reserves the right to reject and refuse acceptance of Goods that are not in accordance with this Contract and Purchaser’s Purchase Order. If there are any apparent defects in the Goods and/or Services at the time of delivery, Purchaser promptly will notify Contractor. At Purchaser’s option, and without limiting any other rights, Purchaser may require Contractor to replace, at Contractor’s expense, any or all of the damaged Goods or, at Purchaser’s option, Purchaser may note any such damage on the receiving report, decline acceptance, and deduct the cost of rejected Goods from final payment. Payment for any Goods under such Purchase Order shall not be deemed acceptance.

- 8.4. RETURN POLICY—CONFORMING GOODS. Contractor shall allow Purchasers to return Goods meeting Contract specifications without charge (i.e., no return or restocking fee); *Provided*, however, that such returns must be initiated within thirty (30) days from the date the Goods were delivered; and *provided further*, that Purchaser shall pay the cost to ship such Goods to the return location specified by Contractor and shall return such Goods in their original product packaging. Contractor shall provide Purchasers with a full refund for such Goods within thirty (30) days of receipt.
- 8.5. PRODUCT SUBSTITUTIONS. In the event a specified manufacturer’s product becomes unavailable or the expected delivery is delayed beyond fourteen (14) calendar days, Contractor must notify Purchaser and offer Purchaser two choices: (1) an item of equal quality and value at no additional expense or (2) cancellation of the Purchaser Order without any fees and shall provide a full refund within thirty (30) days of the cancellation request.
- 8.6. RECALL. In the event of a product recall, Contractor must notify all Purchasers. Purchasers will then have sole discretion to either accept a viable replacement product or receive a full refund for recalled items.
- 8.7. ORDER CANCELLATION. Purchaser may cancel an order if original product is unavailable within fourteen (14) calendar days and when a substitution is offered. Purchaser may cancel an order if expected delivery extends beyond the Delivery Window. Contractor shall not charge any fees and shall provide a full refund within thirty (30) days of the cancellation request.

9. INVOICING & PAYMENT.

- 9.1. CONTRACTOR INVOICE. Contractor shall submit properly itemized invoices to Purchaser’s designated invoicing contact for Goods and/or Services delivered under this Contract. Such invoices shall itemize the following:
- (a) Contract No. 12722;
 - (b) Contractor name, address, telephone number, and email address for billing issues (i.e., Contractor Customer Service Representative);
 - (c) Contractor’s Federal Tax Identification Number;
 - (d) Date(s) of delivery;
 - (e) Applicable Goods and/or Services;
 - (f) Invoice amount; and
 - (g) Payment terms, including any available prompt payment discounts.

Contractor’s invoices for payment shall reflect accurate Contract prices. Invoices will not be processed for payment until receipt of a complete invoice as specified herein.

- 9.2. PAYMENT. Payment is the sole responsibility of, and will be made by, the Purchaser. Purchaser’s obligation to pay invoices is subject to receipt of a timely and accurate invoice and conforming Goods and/or Services. Unless Contractor has provided a prompt payment discount set forth in *Exhibit A – Price List*, Purchaser’s payment is due within thirty (30) calendar days of invoice. Purchaser retains the right of setoff for any amount due or owing to Purchaser. Purchaser may make payments electronically (e.g., ACH payments). Contractor shall provide information necessary to facilitate electronic payments. If Purchaser fails to make timely payment(s), Contractor may invoice Purchaser in the amount of one percent (1%)

per month on the amount overdue or a minimum of \$1. Payment will not be considered late if a check or warrant is mailed within the time specified.

- 9.3. OVERPAYMENTS. Contractor promptly shall refund to Purchaser the full amount of any erroneous payment or overpayment. Such refunds shall occur within thirty (30) calendar days of written notice to Contractor; *Provided*, however, that Purchaser shall have the right to elect to have either direct payments or written credit memos issued. If Contractor fails to make timely refunds of overpayment(s) (either directly or by credit memo), Contractor shall pay Purchaser interest at the rate of one percent (1%) per month on the amount overdue thirty (30) calendar days after notice to Contractor.
- 9.4. ADVANCE PAYMENT PROHIBITED. Except as authorized by law, Contractor shall not request or receive advance payment for any Goods and/or Services furnished by Contractor pursuant to this Contract.
- 9.5. NO ADDITIONAL CHARGES. Unless otherwise specified herein, Contractor shall not include or impose any additional charges including, but not limited to, charges for minimum order size, shipping, handling, insurance, or payment processing.
- 9.6. TAXES/FEES. Contractor promptly shall pay all applicable taxes on its operations and activities pertaining to this Contract. Failure to do so shall constitute breach of this Contract. Unless otherwise agreed, Purchaser shall pay applicable sales tax imposed by the State of Washington on purchased Goods and/or Services. Contractor's invoices shall separately state (a) taxable and non-taxable charges and (b) sales/use tax due by jurisdiction. In regard to federal excise taxes, Contractor shall include federal excise taxes only if, after thirty (30) calendar days written notice to Purchaser, Purchaser has not provided Contractor with a valid exemption certificate from such federal excise taxes.

11. CONTRACTOR SALES REPORTING; VENDOR MANAGEMENT FEE; & CONTRACTOR REPORTS.

11.1. **CONTRACT SALES REPORTING.** Contractor shall report total Contract sales quarterly to Enterprise Services, as set forth below.

(a) **Contract Sales Reporting System.** Contractor shall report quarterly Contract sales in Enterprise Services' Contract Sales Reporting System. Enterprise Services will provide Contractor with a login password and a vendor number. The password and vendor number will be provided to the Sales Reporting Representative(s) listed on Contractor's Bidder Profile.

(b) **Data.** Each sales report must identify every authorized Purchaser by name as it is known to Enterprise Services and its total combined sales amount invoiced during the reporting period (i.e., sales of an entire agency or political subdivision, not its individual subsections). The "Miscellaneous" option may be used only with prior approval by Enterprise Services. Upon request, Contractor shall provide contact information for all authorized Purchasers specified herein during the term of the Contract. If there are no Contract sales during the reporting period, Contractor must report zero sales.

- (c) Due dates for Contract Sales Reporting. Quarterly Contract Sales Reports must be submitted electronically by the following deadlines for all Contract sales invoiced during the applicable calendar quarter:

QUARTER	FOR SALES MADE IN CALENDAR QUARTER ENDING	CONTRACT SALES REPORT	
		DUE BY	PAST DUE
1	January 1 – March 31	April 30	May 1
2	April 1 – June 30	July 31	August 1
3	July 1 – September 30	October 31	November 1
4	October 1 – December 31	January 31	February 1

11.2. VENDOR MANAGEMENT FEE. Contractor shall pay to Enterprise Services a vendor management fee (“VMF”) of 1.25 percent on the purchase price for all Contract sales (the purchase price is the total invoice price less applicable sales tax).

- (a) The sum owed by Contractor to Enterprise Services as a result of the VMF is calculated as follows:

$$\text{Amount owed to Enterprise Services} = \text{Total Contract sales invoiced (not including sales tax)} \times .0125.$$

- (b) The VMF must be rolled into Contractor’s current pricing. The VMF must not be shown as a separate line item on any invoice unless specifically requested and approved by Enterprise Services.
- (c) Enterprise Services will invoice Contractor quarterly based on Contract sales reported by Contractor. Contractor is not to remit payment until Contractor receives an invoice from Enterprise Services. Contractor’s VMF payment to Enterprise Services must reference this Contract number, the year and quarter for which the VMF is being remitted, and Contractor’s name as set forth in this Contract, if not already included on the face of the check.
- (d) Contractor’s failure to report accurate total net Contract sales, to submit a timely Contract sales report, or to remit timely payment of the VMF to Enterprise Services, may be cause for Enterprise Services to suspend Contractor or terminate this Contract or exercise remedies provided by law. Without limiting any other available remedies, the parties agree that Contractor’s failure to remit to Enterprise Services timely payment of the VMF shall obligate Contractor to pay to Enterprise Services, to offset the administrative and transaction costs incurred by the State to identify, process, and collect such sums, the sum of \$200.00 or twenty-five percent (25%) of the outstanding amount, whichever is greater, or the maximum allowed by law, if less.
- (e) Enterprise Services reserves the right, upon thirty (30) calendar days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases, and reserves the right to renegotiate Contract pricing with Contractor when any subsequent adjustment of the VMF might justify a change in pricing.

- 11.3. ANNUAL CONTRACT SALES REPORT. Contractor shall provide to Enterprise Services a detailed annual Contract sales report. Such report shall include, at a minimum: the Goods and/or Services sold (including, as applicable, item number or other identifier), per unit quantities sold, items and volumes purchased by Purchaser, shipment/delivery locations by Purchaser, and Contract price. This report must be provided in an electronic format that can be read by Microsoft (MS) Excel. Such report is due within thirty (30) calendar days of the annual anniversary of the effective date of this Contract.
- 11.4. MANUFACTURER INFORMATION. Upon request, Contractor shall provide to Enterprise Services or Customer detailed information regarding the identity, contact information, certifications and operating licenses, and any other manufacturer information requested within five (5) business days. If items undergo intermediary handling or are repackaged before final sale, Contractor must be able to verify and trace items back to original manufacturing facility or facilities and provide such information. Contractor agrees to provide aforementioned detailed information of any intermediary who adds to, alters, or repackages items within five (5) business days.
- 11.5. THIRD PARTY CERTIFICATIONS & APPROVALS. Upon request, Contractor must supply all documentation necessary to validate any third-party certifications or approvals that are required by state and federal law for product use by consumer, required by the Solicitation, or as advertised. This may include, but is not limited to FDA approval, licensing and certifications, ASTM, NIOSH, ISO, ANSI, AATC, AAMI, ISEA, or EPA certifications.

12. RECORDS RETENTION & AUDITS.

- 12.1. RECORDS RETENTION. Contractor shall maintain books, records, documents, and other evidence pertaining to this Contract and orders placed by Purchasers under it to the extent and in such detail as shall adequately reflect contract performance and administration of purchases, payments, taxes, and fees. Contractor shall retain such records for a period of six (6) years following expiration or termination of this Contract or final payment for any order placed by a Purchaser against this Contract, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.
- 12.2. AUDIT. Enterprise Services reserves the right to audit, or have a designated third party audit, applicable records to ensure that Contractor properly has invoiced Purchasers and that Contractor has paid all applicable vendor management fees to Enterprise Services. Accordingly, Contractor shall permit Enterprise Services, any Purchaser, and any other duly authorized agent of a governmental agency, to audit, inspect, examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Contract or Purchase Orders placed by a Purchaser under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. This right shall survive for a period of six (6) years following expiration or termination of this Contract or final payment for any order placed by a Purchaser against this Contract, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.
- 12.3. OVERPAYMENT OF PURCHASES OR UNDERPAYMENT OF FEES. Without limiting any other remedy available to any Purchaser, Contractor shall (a) reimburse Purchasers for any overpayments inconsistent with the terms of this Contract or Purchase Orders placed thereunder, at a rate of 125% of any such overpayments, found as a result of the examination of Contractor's

records; and (b) reimburse Enterprise Services for any underpayment of vendor management fees, at a rate of 125% of such fees found as a result of the examination of Contractor's records (e.g., if Contractor underpays the Vendor Management Fee by \$500, Contractor would be required to pay to Enterprise Services $\$500 \times 1.25 = \625); *Provided*, however, that, in the event Contractor timely discovers and corrects any Purchaser overpayment or Contractor underpayment of vendor management fees and does so prior to the initiation of any audit, Contractor shall be entitled to reimburse Purchaser or pay to Enterprise Services the actual amount of such Purchaser overpayment or such underpayment of vendor management fees.

13. INSURANCE.

- 13.1. **REQUIRED INSURANCE.** Contractor, at its expense, shall maintain in full force and effect the insurance coverages set forth in *Exhibit B – Insurance Requirements*. All costs for insurance, including any payments of deductible amounts, shall be considered incidental to and included in the prices for Goods and/or Services and no additional payment shall be made to Contractor.
- 13.2. **WORKERS COMPENSATION.** Contractor shall comply with applicable workers compensation statutes and regulations (e.g., RCW Title 51, Industrial Insurance). If Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, Enterprise Services may terminate this Contract. This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from Contractor. If Contractor performs Services on Purchaser's behalf in the State of Washington, and only to the extent of claims against Contractor by Purchaser under the Indemnity obligations in this Contract, Contractor expressly waives any immunity it may be granted under the Washington State Industrial Insurance Act, Title 51 RCW. Contractor's indemnification obligation will not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable to or for any third party under workers' compensation acts, disability benefit acts, or other employee benefit acts. The parties expressly acknowledge and certify that the waiver of immunity under Title 51 RCW was mutually negotiated and agreed upon.

14. CLAIMS.

- 14.1. **ASSUMPTION OF RISKS; CLAIMS BETWEEN THE PARTIES.** Contractor assumes sole responsibility and all risks of personal injury or property damage to itself and its employees and agents in connection with its operations under this Contract. Enterprise Services has made no representations regarding any factor affecting Contractor's risks. Contractor shall pay for all damage to any Purchaser's property resulting directly or indirectly from Contractor's acts or omissions under this Contract.
- 14.2. **THIRD-PARTY CLAIMS; GENERAL INDEMNITY.** To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold Enterprise Services and any Purchaser and their employees and agents harmless from and against all claims, demands, judgments, assessments, damages, penalties, fines, costs, liabilities, or losses including, without limitation, sums paid in settlement of claims, attorneys' fees, consultant fees, and expert fees (collectively "Claims") to the extent arising out of Contractor's or its successors', agents', or subcontractors' negligence, other tortious fault, or intentional misconduct under this Contract. The parties agree that if there are any limitations of Contractor's liability, including a limitation of liability

clause for anyone for whom the Contractor is responsible, such limitations of liability shall not apply to injuries to persons (including death), damages to property, data breach, and/or intellectual property infringement. Contractor shall take all steps needed to keep Purchaser's property free of liens arising from Contractor's activities, and promptly obtain or bond the release of any such liens that may be filed.

14.3. **INTELLECTUAL PROPERTY INDEMNITY.** To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold Enterprise Services and any Purchaser and their employees and agents harmless from against any and all Claims resulting from allegations of infringement of any patents, copyrights, trade secret, or similar intellectual property rights covering the Goods and/or Services provided, or the use of the Goods and/or Services under this Contract. If Purchaser's use of Goods and/or Services provided by Contractor is enjoined based on an intellectual property infringement Claim, Contractor shall, at its own expense, either procure for Purchaser the right to continue using the Goods and/or Services or, after consulting with Purchaser and obtaining Purchaser's consent, replace or modify the Goods and/or Services with substantially similar and functionally equivalent non-infringing Goods and/or Services.

15. DISPUTE RESOLUTION. The parties shall cooperate to resolve any dispute pertaining to this Contract efficiently, as timely as practicable, and at the lowest possible level with authority to resolve such dispute. If, however, a dispute persists and cannot be resolved, it may be escalated within each organization. In such situation, upon notice by either party, each party, within five (5) business days shall reduce its description of the dispute to writing and deliver it to the other party. The receiving party then shall have three (3) business days to review and respond in writing. In the event that the parties cannot then agree on a resolution of the dispute, the parties shall schedule a conference between the respective senior managers of each organization to attempt to resolve the dispute. In the event the parties cannot agree, either party may resort to court to resolve the dispute.

16. TERMINATION; EXPIRATION; SUSPENSION; & REMEDIES.

16.1. **TERMINATION.** This Contract may be terminated: (a) upon the mutual written agreement of the parties; (b) by the non-breaching party where the breach is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in this Contract; and (c) as otherwise expressly provided for in this Contract. This Contract shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate this Contract as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach will not affect rights or obligations accrued or owed before the effective date of the termination notice.

16.2. **TERMINATION FOR NONAPPROPRIATION OR REDUCTION OF FUNDS OR CHANGES IN LAW.** Enterprise Services may suspend or terminate this Contract and Purchasers may suspend or terminate applicable Purchase Orders, in whole or in part, at the sole discretion of Enterprise Services or, as applicable, Purchaser, if Enterprise Services or, as applicable, Purchaser reasonably determines that: (a) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Contract or applicable Purchase Order; or (b) that a change in available funds affects Purchaser's ability to pay under the applicable Purchase Order. A change of available funds as used in this section includes, but is not limited to a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor. If a written notice is delivered under this

provision, Purchaser will reimburse Contractor for Goods properly ordered and/or Services properly performed until the effective date of said notice. Except as stated in this provision, in the event of termination for nonappropriation or reduction of funds or changes in law, Purchaser will have no obligation or liability to Contractor.

- 16.3. TERMINATION FOR PUBLIC CONVENIENCE. Enterprise Services, for public convenience, may terminate this Contract; *Provided*, however, that such termination for public convenience must, in Enterprise Services' judgment, be in the best interest of the State of Washington; and *Provided further*, that such termination for public convenience shall only be effective upon sixty (60) calendar days prior written notice; and *Provided further*, that such termination for public convenience shall not relieve any Purchaser from payment for Goods and/or Services already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such termination for public convenience, neither Enterprise Services nor any Purchaser shall have any obligation or liability to Contractor.
- 16.4. PURCHASER OBLIGATIONS – EXPIRATION. Upon expiration of this Contract, Purchaser shall accept and take delivery of all outstanding and not yet fulfilled Purchase Orders and pay Contractor the price as set out in the Contract. Notwithstanding any provision to the contrary, in no event shall a Purchaser's Purchase Order pursuant to this Contract that is executed prior to expiration of this Contract allow for Contractor to provide Goods and/or Services more than twelve (12) months beyond the expiration date of the Contract.
- 16.5. CONTRACTOR OBLIGATIONS – EXPIRATION OR TERMINATION. Upon expiration or termination of this Contract, Contractor shall: (a) continue to fulfill its warranty obligations with respect to any Goods and/or Services sold hereunder and all provisions of the Contract that, by their nature, would continue beyond the expiration, termination, or cancellation of the Contract shall so continue and survive; and (b) promptly return to Purchaser all keys, badges, and other materials supplied by Purchaser for the performance of any Purchase Order entered into pursuant to this Contract.
- 16.6. DEFAULT. Any of the following events shall constitute cause for Enterprise Services to declare Contractor in default of this Contract:
- (a) Contractor fails to perform or comply with any of the terms or conditions of this Contract;
 - (b) Contractor fails to timely report contract sales;
 - (c) Contractor fails to timely pay the vendor management fees when due; or
 - (d) Contractor breaches any representation or warranty provided herein.
- 16.7. SUSPENSION & TERMINATION FOR DEFAULT. Enterprise Services may suspend Contractor's operations under this Contract immediately by written cure notice of any default. Suspension shall continue until the default is remedied to Enterprise Services' reasonable satisfaction; *Provided*, however, that, if after thirty (30) calendar days from such a suspension notice, Contractor remains in default, Enterprise Services may terminate Contractor's rights under this Contract. All of Contractor's obligations to Enterprise Services and Purchasers survive termination of Contractor's rights under this Contract, until such obligations have been fulfilled.
- 16.8. REMEDIES FOR DEFAULT.
- (a) Enterprise Services' rights to suspend and terminate Contractor's rights under this Contract are in addition to all other available remedies.

(b) In the event of termination for default, Enterprise Services may exercise any remedy provided by law including, without limitation, the right to procure for all Purchasers replacement Goods and/or Services. In such event, Contractor shall be liable to Enterprise Services for damages as authorized by law including, but not limited to, any price difference between the Contract price and the replacement or cover price as well as any administrative and/or transaction costs directly related to such replacement procurement – e.g., the cost of the competitive procurement.

- 16.9. LIMITATION ON DAMAGES. Notwithstanding any provision to the contrary, the parties agree that in no event shall any party or Purchaser be liable to the other for incidental, exemplary, or punitive damages; *Provided*, however, that nothing contained in this Section will in any way exclude or limit: (a) a party's liability for all damages arising out of that party's intentional acts or omissions; (b) the operation of any Goods or Services warranty provided in this Contract; or (c) damages subject to the Intellectual Property Indemnity section of this Contract. Any limitation of either party's obligations under this Contract, by delivery slips or other documentation is void.
- 16.10. SUSPENSION/TERMINATION PROCEDURE. Regardless of basis, in the event of suspension or termination (in full or in part), the parties shall cooperate to ensure an orderly and efficient suspension or termination. Accordingly, Contractor shall deliver to Purchasers all Goods and/or Services that are complete (or with approval from Enterprise Services, substantially complete) and Purchasers shall inspect, accept, and pay for the same in accordance with this Contract and the applicable Purchase Order. Unless directed by Enterprise Services to the contrary, Contractor shall not process any orders after notice of suspension or termination inconsistent therewith.
- 16.11. PURCHASER PURCHASE ORDERS. Purchaser Orders may be terminated: (a) upon the mutual written agreement of the parties; (b) by the non-breaching party where the breach is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party; and (c) as otherwise expressly provided for in the applicable Purchase Order. Purchase Orders shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate the Purchase Order as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach will not affect rights or obligations accrued or owed before the effective date of the termination notice.

17. PUBLIC INFORMATION & PUBLIC RECORDS DISCLOSURE REQUESTS.

- 17.1. WASHINGTON'S PUBLIC RECORDS ACT. Unless statutorily exempt from public disclosure, this Contract and all related records are subject to public disclosure as required by Washington's Public Records Act, RCW 42.56.
- 17.2. CONTRACTOR OBLIGATION. Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records provided to Enterprise Services that Contractor believes are statutorily exempt from disclosure and identify the precise statutory basis for exemption from disclosure. In addition, if, in Contractor's judgment, certain portions of such records are not statutorily exempt from disclosure but are sensitive because particular portions of Contractor's records (NOT including pricing) include highly confidential, proprietary, or trade secret information (or the equivalent) that Contractor protects through the regular use of

confidentiality or similar agreements and routine enforcements through court enforcement actions, Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records that include such sensitive information.

- 17.3. ENTERPRISE SERVICES' OBLIGATION. In the event that Enterprise Services receives a public records disclosure request pertaining to records that Contractor has submitted and marked either as (a) statutorily exempt from disclosure; or (b) sensitive, Enterprise Services, prior to disclosure, will do the following: Enterprise Services' Public Records Officer will review any records marked by Contractor as statutorily exempt from disclosure. In those situations, where the designation comports with the stated statutory exemption from disclosure, Enterprise Services will redact or withhold the record(s) as appropriate. For records marked 'sensitive' or for records where Enterprise Services determines that no statutory exemption to disclosure applies or is unable to determine whether the stated statutory exemption to disclosure properly applies, Enterprise Services will notify Contractor, at the address provided in the Contract, of the public records disclosure request and identify the date that Enterprise Services intends to release the record(s) (including records marked 'sensitive' or exempt from disclosure) to the requester unless Contractor, at Contractor's sole expense, timely obtains a court order enjoining Enterprise Services from such disclosure. In the event Contractor fails to timely file a motion for a court order enjoining such disclosure, Enterprise Services will release the requested record(s) on the date specified. Contractor's failure properly to identify exempted or sensitive information or timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such records are exempt or protected from public disclosure.

18. GENERAL PROVISIONS.

- 18.1. TIME IS OF THE ESSENCE. Time is of the essence for each and every provision of this Contract.
- 18.2. FORCE MAJEURE. Except for payment of sums due, neither party shall be liable to the other or deemed in breach under this Master Contract if, and to the extent that, such party's performance of this Contract is prevented by reason of force majeure. The term "force majeure" means an occurrence that causes a delay that is beyond the control of the party affected and could not have been avoided by exercising reasonable diligence. Force majeure shall include acts of God, war, riots, strikes, fire, floods, or other similar occurrences. If either party is delayed by force majeure, said party promptly shall provide written notification within forty-eight (48) hours. The notification shall detail and provide evidence of the force majeure to the satisfaction of the other party. Such excused delay shall cease as soon as practicable and prompt written notification of same shall likewise be provided. In no event shall force majeure extend the term of the Contract. Enterprise Services reserves the right to authorize an amendment to this Contract, suspend or terminate the Contract, and/or purchase materials, supplies, equipment and/or services from the best available source during the time of force majeure, and Contractor shall have no recourse against Enterprise Services or any Purchaser.
- 18.3. COMPLIANCE WITH LAW. Contractor shall comply with all applicable law. Contractor shall obtain all necessary permits and approvals and give all stipulations, certifications, and representations that may be required for it to perform this Contract.
- 18.4. ENTIRE AGREEMENT. This Contract constitutes the entire agreement and understanding of the parties with respect to the subject matter and supersedes all prior negotiations,

representations, and understandings between them. There are no representations or understandings of any kind not set forth herein.

- 18.5. AMENDMENT OR MODIFICATION. Except as set forth herein, this Contract may not be amended or modified except in writing and signed by a duly authorized representative of each party. Notwithstanding any provision to the contrary, the parties understand and acknowledge that Enterprise Services, consistent with this Contract, shall post updated prices for Goods and/or Services to the agency's contract portal for Purchaser use provided that the updated prices are calculated consistent with this Contract (e.g., economic price adjustment; temporary price adjustment increase) and that no Contract amendment is necessary for such administrative adjustment.
- 18.6. AUTHORITY. Each party to this Contract, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Contract and that its execution, delivery, and performance of this Contract has been fully authorized and approved, and that no further approvals or consents are required to bind such party.
- 18.7. NO AGENCY. The parties agree that no agency, partnership, or joint venture of any kind shall be or is intended to be created by or under this Contract. Neither party is an agent of the other party nor authorized to obligate it.
- 18.8. INDEPENDENT CONTRACTOR. The parties intend that an independent contractor relationship is created by this Contract. Contractor and its employees or agents performing under this Contract are not employees or agents of Enterprise Services. Contractor shall not have authorization, express or implied, to bind Enterprise Services to any agreement, liability, or understanding, except as expressly set forth herein. Contractor and its employees and agents are not entitled to unemployment insurance or worker's compensation benefits through Enterprise Services or the State of Washington and Enterprise Services and the State of Washington will not pay for or otherwise provide such coverage for Contractor and its employees and agents.
- 18.9. ASSIGNMENT. Contractor may not assign its rights under this Contract without Enterprise Services' prior written consent and Enterprise Services may consider any attempted assignment without such consent to be void; *Provided*, however, that, if Contractor (a) provides written notice to Enterprise Services within thirty (30) calendar days of such event and (b) timely executes Enterprise Services' Assignment, Assumption, and Consent Agreement, Contractor may assign its rights under this Contract in full to any parent, subsidiary, or affiliate of Contractor that controls or is controlled by or under common control with Contractor, is merged or consolidated with Contractor, or purchases a majority or controlling interest in the ownership or assets of Contractor. Unless otherwise agreed, Contractor guarantees prompt performance of all obligations under this Contract notwithstanding any prior assignment of its rights.
- 18.10. BINDING EFFECT; SUCCESSORS & ASSIGNS. This Contract shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
- 18.11. ASSIGNMENT OF ANTITRUST RIGHTS REGARDING PURCHASED GOODS AND/OR SERVICES. INSURANCE REQUIREMENTS

1. **INSURANCE OBLIGATION.** During the Term of this Contract, Contractor shall possess and maintain in full force and effect, at Contractor's sole expense, the following insurance coverages:
 - a. **COMMERCIAL GENERAL LIABILITY INSURANCE.** Commercial general liability insurance (and, if necessary, commercial umbrella liability insurance) covering product liability, bodily injury, property damage, products/completed operations, personal injury, and advertising injury liability on an 'occurrence form' that shall be no less comprehensive and no more restrictive than the coverage provided by Insurance Services Office (ISO) under the most recent version of form CG 00 01 in the amount of not less than \$2,000,000 per occurrence and \$4,000,000 general aggregate. This coverage shall include blanket contractual liability coverage. This coverage shall include a cross-liability clause or separation of insured condition.
 - b. **WORKERS' COMPENSATION INSURANCE.** Contractor shall comply with applicable Workers' Compensation or Industrial Accident insurance providing benefits as required by law.
 - c. **EMPLOYERS' LIABILITY (STOP GAP) INSURANCE.** Employers' liability insurance (and, if necessary, commercial umbrella liability insurance) with limits not less than \$1,000,000 each accident for bodily injury by accident, \$1,000,000 each employee for bodily injury by disease, and \$1,000,000 bodily injury by disease policy limit.
 - d. **COMMERCIAL AUTOMOBILE LIABILITY INSURANCE.** Commercial automobile liability insurance covering the ownership, maintenance, and/or use of all owned/leased, non-owned, and hired vehicles used in the performance of the Contract, with limits of not less than \$1,000,000 per accident, combined single limit for bodily injury and property damage liability. Coverage shall be provided on Insurance Services Office (ISO) form number CA 0001 or an equivalent. The required limits can be satisfied by any combination of primary, umbrella, or excess policy.

The insurance coverage limits set forth herein are the minimum. Contractor's insurance coverage shall be no less than the minimum amounts specified. Coverage in the amounts of these minimum limits, however, shall not be construed to relieve Contractor from liability in excess of such limits. Contractor waives all rights against the State of Washington for the recovery of damages to the extent such damages are covered by any insurance required herein.

2. **INSURANCE CARRIER RATING.** Coverages provided by Contractor must be underwritten by an insurance company deemed acceptable to the State of Washington's Office of Risk Management. Insurance coverage shall be provided by companies authorized to do business within the State of Washington and rated A- Class VII or better in the most recently published edition of Best's Insurance Rating. Enterprise Services reserves the right to reject all or any insurance carrier(s) with an unacceptable financial rating.
3. **ADDITIONAL INSURED.** Commercial General Liability, Commercial Automobile Liability, and Pollution Liability Insurance shall include the State of Washington and all authorized Purchasers (and their

agents, officers, and employees) as Additional Insureds evidenced by copy of the Additional Insured Endorsement attached to the Certificate of Insurance on such insurance policies.

4. **CERTIFICATE OF INSURANCE.** Prior to execution of the Contract, Contractor shall furnish to Enterprise Services, as evidence of the insurance coverage required by this Contract, a certificate of insurance satisfactory to Enterprise Services that insurance, in the above-stated kinds and minimum amounts, has been secured. In addition, no less than ten (10) calendar days prior to coverage expiration, Contractor shall furnish to Enterprise Services an updated or renewed certificate of insurance, satisfactory to Enterprise Services, that insurance, in the above-stated kinds and minimum amounts, has been secured. Failure to maintain or provide proof of insurance, as required, will result in contract cancellation. **All policies and certificates of insurance shall include the Contract number stated on the cover of this Contract.** All certificates of Insurance and any related insurance documents shall be delivered to Enterprise Services by U.S. mail, postage prepaid, or sent via email, and shall be sent to the address or email address set forth below or to such other address or email address as Enterprise Services may specify in writing:

5. **PRIMARY COVERAGE.** Contractor’s insurance shall apply as primary and shall not seek contribution from any insurance or self-insurance maintained by, or provided to, the additional insureds listed above including, at a minimum, the State of Washington and/or any Purchaser. All insurance or self-insurance of the State of Washington and/or Purchasers shall be excess of any insurance provided by Contractor or subcontractors.
6. **SUBCONTRACTORS.** Contractor shall include all subcontractors as insureds under all required insurance policies. Alternatively, prior to utilizing any subcontractor, Contractor shall cause any such subcontractor to provide insurance that complies with all applicable requirements of the insurance set forth herein and shall furnish separate Certificates of Insurance and endorsements for each subcontractor. Each subcontractor must comply fully with all insurance requirements stated herein. 8. **NOTICE OF CHANGE OR CANCELLATION.** There shall be no cancellation, material change, exhaustion of aggregate limits, or intent not to renew insurance coverage, either in whole or in part, without at
