This Washington Statewide Contract (“Contract”) is made and entered into by and between the State of Washington acting by and through the Department of Enterprise Services, a Washington State governmental agency (“Enterprise Services”) and Ballard Marine Construction, LLC, a Delaware Limited Liability Company (“Contractor”) and is dated and effective as of April 1, 2023.

**RECITALS**

- A. Pursuant to Legislative authorization, Enterprise Services, on behalf of the State of Washington, is authorized to develop, solicit, and establish enterprise procurement solutions, including contracts for goods and/or services to support Washington state agencies. *See* RCW 39.26.050(1). The Washington State Legislature also has authorized Enterprise Services to make these contracts available, pursuant to an agreement in which Enterprise Services ensures full cost recovery, to other local or federal government agencies or entities, public benefit nonprofit organizations, and any tribes located in the State of Washington. *See* RCW 39.26.050(1) & (2).
- B. Certain Washington state agencies (primarily, the Washington Department of Natural Resources) need professional derelict vessel removal, disposal, and/or salvage services to address derelict vessels located in or upon public owned waters and/or property. Accordingly, Enterprise Services, on behalf of the State of Washington, as part of a competitive governmental procurement, issued Competitive Solicitation No. 16122 dated January 19, 2023. The Competitive Solicitation was structured to meet purchaser needs and designed to result in multiple Contract awards, by designated contract categories, to provide cost-effective and efficient procurement solutions for eligible purchasers to purchase professional derelict vessel removal, disposal, and/or salvage services. In addition, Enterprise Services structured the Competitive Solicitation to address state procurement priorities pertaining to qualified Washington Small Businesses and Certified Veteran-Owned Businesses.
- C. Enterprise Services evaluated all responses to the Competitive Solicitation and identified Contractor as an apparent successful bidder for the above referenced category(ies).
- D. Enterprise Services has determined that entering into this Contract will meet the identified needs and be in the best interest of the State of Washington.
- E. The purpose of this Contract is to enable eligible purchasers to purchase the Services for professional vessel removal, disposal, and/or salvage services as set forth herein.

**AGREEMENT**

**NOW THEREFORE**, in consideration of the mutual promises, covenants, and conditions set forth herein, the parties hereto hereby agree as follows:

- 1. TERM.** The initial term of this Contract is thirty-six (36) months, commencing April 1, 2023, and ending March 31, 2026; *Provided* however, that if Contractor is not in default, Enterprise Services may extend the term of the Master Contract, by written amendment, for up to thirty-six (36) additional months.
- 2. ELIGIBLE PURCHASERS.** This Contract may be utilized by any of the following types of entities (each an eligible “Purchaser”):
  - 2.1. **WASHINGTON STATE AGENCIES.** All Washington state agencies, departments, offices, divisions, boards, and commissions.
  - 2.2. **WASHINGTON STATE INSTITUTIONS OF HIGHER EDUCATION (COLLEGES).** Any the following institutions of higher education in Washington:
    - State universities – i.e., University of Washington & Washington State University;
    - Regional universities – i.e., Central Washington University, Eastern Washington University, & Western Washington University
    - Evergreen State College;
    - Community colleges; and
    - Technical colleges.
  - 2.3. **CONTRACT USAGE AGREEMENT PARTIES.** Any of the following types of entities that have executed a Contract Usage Agreement with Enterprise Services:
    - Political subdivisions (e.g., counties, cities, school districts, public utility districts) in the State of Washington;
    - Federal governmental agencies or entities;
    - Public-benefit nonprofit corporations (i.e., § 501(c)(3) nonprofit corporations that receive federal, state, or local funding); and
    - Federally-recognized Indian Tribes located in the State of Washington.
- 3. SCOPE – INCLUDED SERVICES AND PRICE.**
  - 3.1. **CONTRACT SCOPE.** Pursuant to this Contract, Contractor is authorized to provide only those Services set forth in *Exhibit A – Included Services* for the respective Contract Category(ies). Contractor shall not represent to any Purchaser under this Contract that Contractor has contractual authority to provide any services beyond those set forth in *Exhibit A – Included Services*.
    - (a) **Services.** For purposes of this Contract, “Services” means all services of any nature ordered by Purchaser pursuant to this Contract and as identified in a Purchaser’s work request.
    - (b) **Specifications.** Where applicable, specifications for Services are detailed in this Contract and the specific Purchaser’s work request.
  - 3.2. **CONTRACT PRICE.** Derelict vessel removal, disposal, and/or salvage services depend on the particular circumstances pertaining to the vessel at issue. Such circumstances, in significant measure, are not capable of meaningful advance description – e.g., vessel size, age, condition,

contents, location, time of year, weather, and available funding. Accordingly, pursuant to the Competitive Solicitation and this Contract, eligible Purchasers will propose work requests, consistent with this Contract, for specific derelict vessel removal, disposal, and/or salvage services and solicit pricing from awarded Contractors for the specific Service request detailed in the Purchaser work request. Contractor timely shall provide pricing for such work requests.

(a) Contract Design. The parties understand and acknowledge that the need for the Contract Services is episodic, but often time sensitive due to specific circumstances (e.g., vessel danger to people, property, environment). The parties further understand and acknowledge that the underlying competitive solicitation that resulted in the multiple Contract awards was designed to provide eligible Purchasers with competitive pricing for the Contract Services. Accordingly, as a procurement integrity matter, it is essential that Contractor both timely provide proposed Contract pricing for Purchaser work requests and that such pricing be independent and competitive.

(b) Work Request Awards. Purchaser will evaluate Contractor pricing and award work requests consistent with this Contract.

3.3. ADDITIONAL SOLICITATION & CONTRACT AWARDS. Depending on States need for the Services, Enterprise Services, at its discretion, reserves the right, during the term of this Contract, to solicit and award contracts for the same or similar Services.

3.4. STATE'S ABILITY TO MODIFY SCOPE OF CONTRACT. Subject to mutual agreement between the parties, Enterprise Services reserves the right to modify the Services included in this Contract; *Provided*, however, that any such modification shall be effective only upon thirty (30) calendar days advance written notice; and *Provided further*, that any such modification must be within the scope of the Competitive Solicitation for this Contract.

3.5. ECONOMIC ADJUSTMENT. Beginning twelve (12) months after the effective date of this Contract and for every annual anniversary thereafter, the prices set forth in *Exhibit B – Prices* shall be adjusted, based upon the percent changes (whether up or down) in the United States Department of Labor, Bureau of Labor and Statistics (BLS) WPU 454101 indices, for the most recent year. Economic adjustment will lag one (1) calendar quarter past the Contract commencement date to allow for publication of BLS data. All calculations for the index shall be based upon the latest version of data published as of April each year. Prices shall be adjusted in June. If an index is recoded (i.e., the recoded index is a direct substitute for the prior index according to the BLS), this Contract will use the recoded index, as applicable. If an index becomes unavailable, DES shall substitute a proxy index. If there is not a direct substitute, the next higher aggregate index available will be used. The economic adjustment shall be calculated as follows:

$$\text{New Price} = \text{Old Price} \times (\text{Current Period Index} / \text{Base Period Index}).$$

**11. CONTRACTOR SALES REPORTING; VENDOR MANAGEMENT FEE; & CONTRACTOR REPORTS.**

- 11.1. **CONTRACT SALES REPORTING.** Contractor shall report total Contract sales quarterly to Enterprise Services, as set forth below.

(a) **Statewide Contract Sales Reporting System.** Contractor shall report quarterly Contract sales in Enterprise Services’ Statewide Contract Sales Reporting System. Enterprise Services will provide Contractor with a login password and a vendor number. The password and vendor number will be provided to the Sales Reporting Representative(s) listed on Contractor’s Bidder Profile.

(b) **Data.** Each sales report must identify every authorized Purchaser by name as it is known to Enterprise Services and its total combined sales amount invoiced during the reporting period (i.e., sales of an entire agency or political subdivision, not its individual subsections). The “Miscellaneous” option may be used only with prior approval by Enterprise Services. Upon request, Contractor shall provide contact information for all authorized Purchasers specified herein during the term of the Contract. If there are no Contract sales during the reporting period, Contractor must report zero sales.

(c) **Due dates for Contract Sales Reporting.** Quarterly Contract Sales Reports must be submitted electronically by the following deadlines for all Contract sales invoiced during the applicable calendar quarter:

QUARTER	FOR SALES MADE IN CALENDAR QUARTER ENDING	CONTRACT SALES REPORT	
		DUE BY	PAST DUE
1	January 1 – March 31	April 30	May 1
2	April 1 – June 30	July 31	August 1

QUARTER	FOR SALES MADE IN CALENDAR QUARTER ENDING	CONTRACT SALES REPORT	
		DUE BY	PAST DUE
3	July 1 – September 30	October 31	November 1
4	October 1 – December 31	January 31	February 1

11.2. **VENDOR MANAGEMENT FEE.** Contractor shall pay to Enterprise Services a vendor management fee (“VMF”) of 1.5 percent on the purchase price for all Contract sales (the purchase price is the total invoice price less applicable sales tax).

(a) The sum owed by Contractor to Enterprise Services as a result of the VMF is calculated as follows:

$$\text{Amount owed to Enterprise Services} = \text{Total Contract sales invoiced (not including sales tax)} \times .015.$$

(b) The VMF must be rolled into Contractor’s current pricing. The VMF must not be shown as a separate line item on any invoice unless specifically requested and approved by Enterprise Services.

(c) Enterprise Services will invoice Contractor quarterly based on Contract sales reported by Contractor. Contractor is not to remit payment until Contractor receives an invoice from Enterprise Services. Contractor’s VMF payment to Enterprise Services must reference this Contract number, the year and quarter for which the VMF is being remitted, and Contractor’s name as set forth in this Contract, if not already included on the face of the check.

(d) Contractor’s failure to report accurate total net Contract sales, to submit a timely Statewide Contract Sales Report, or to remit timely payment of the VMF to Enterprise Services, may be cause for Enterprise Services to suspend Contractor or terminate this Contract or exercise remedies provided by law. Without limiting any other available remedies, the parties agree that Contractor’s failure to remit to Enterprise Services timely payment of the VMF shall obligate Contractor to pay to Enterprise Services, to offset the administrative and transaction costs incurred by the State to identify, process, and collect such sums, the sum of \$200.00 or twenty-five percent (25%) of the outstanding amount, whichever is greater, or the maximum allowed by law, if less.

(e) Enterprise Services reserves the right, upon thirty (30) calendar days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases, and reserves the right to renegotiate Contract pricing with Contractor when any subsequent adjustment of the VMF might justify a change in pricing.

11.3. **ANNUAL CONTRACT SALES REPORT.** Contractor shall provide to Enterprise Services a detailed annual Contract Sales Report. Such report shall include, at a minimum: the Services provided, Services purchased by Purchaser, applicable awarded work request(s), and Contract/work request price. This report must be provided in an electronic format that can be read by Microsoft (MS) Excel. Such report is due within thirty (30) calendar days of the annual anniversary of the effective date of this Contract.

## 12. RECORDS RETENTION & AUDITS.

- 12.1. RECORDS RETENTION. Contractor shall maintain books, records, documents, and other evidence pertaining to this Contract and awarded Purchaser work requests to the extent and in such detail as shall adequately reflect contract performance and administration of purchases, payments, taxes, and fees. Contractor shall retain such records for a period of six (6) years following expiration or termination of this Contract or final payment for any awarded Purchaser work request pursuant to this Contract, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.
- 12.2. AUDIT. Enterprise Services reserves the right to audit, or have a designated third-party audit, applicable records to ensure that Contractor properly has invoiced Purchasers and that Contractor has paid all applicable vendor management fees to Enterprise Services. Accordingly, Contractor shall permit Enterprise Services, any Purchaser, and any other duly authorized agent of a governmental agency, to audit, inspect, examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Contract or awarded Purchaser work requests for the purpose of making audits, examinations, excerpts, and transcriptions. This right shall survive for a period of six (6) years following expiration or termination of this Contract or final payment for any awarded Purchaser work request pursuant to this Contract, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.
- 12.3. OVERPAYMENT OF PURCHASES OR UNDERPAYMENT OF FEES. Without limiting any other remedy available to any Purchaser, Contractor shall (a) reimburse Purchasers for any overpayments inconsistent with the terms of this Contract or awarded Purchaser work requests placed thereunder, at a rate of 125% of any such overpayments, found as a result of the examination of Contractor's records; and (b) reimburse Enterprise Services for any underpayment of vendor management fees, at a rate of 125% of such fees found as a result of the examination of Contractor's records (e.g., if Contractor underpays the Vendor Management Fee by \$500, Contractor would be required to pay to Enterprise Services  $\$500 \times 1.25 = \$625$ ); *Provided*, however, that, in the event Contractor timely discovers and corrects any Purchaser overpayment or Contractor underpayment of vendor management fees and does so prior to the initiation of any audit, Contractor shall be entitled to reimburse Purchaser or pay to Enterprise Services the actual amount of such Purchaser overpayment or such underpayment of vendor management fees.

## 13. INSURANCE.

- 13.1. REQUIRED INSURANCE. Contractor, at its expense, shall maintain in full force and effect the insurance coverages set forth in *Exhibit C – Insurance Requirements*. All costs for insurance, including any payments of deductible amounts, shall be considered incidental to and included in the prices for Services and no additional payment shall be made to Contractor.
- 13.2. WORKERS COMPENSATION. Contractor shall comply with applicable workers compensation statutes and regulations (e.g., RCW Title 51, Industrial Insurance). If Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, Enterprise Services may terminate this Contract. This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from Contractor. If Contractor performs Services on Purchaser's behalf

in the State of Washington, and only to the extent of claims against Contractor by Purchaser under the Indemnity obligations in this Contract, Contractor expressly waives any immunity it may be granted under the Washington State Industrial Insurance Act, Title 51 RCW. Contractor's indemnification obligation will not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable to or for any third party under workers' compensation acts, disability benefit acts, or other employee benefit acts. The parties expressly acknowledge and certify that the waiver of immunity under Title 51 RCW was mutually negotiated and agreed upon.

#### **14. CLAIMS.**

- 14.1. ASSUMPTION OF RISKS; CLAIMS BETWEEN THE PARTIES. Contractor assumes sole responsibility and all risks of personal injury or property damage to itself and its employees and agents in connection with its operations under this Contract. Enterprise Services has made no representations regarding any factor affecting Contractor's risks. Contractor shall pay for all damage to any Purchaser's property resulting directly or indirectly from Contractor's acts or omissions under this Contract, even if not attributable to negligence by Contractor or its agents.
- 14.2. THIRD-PARTY CLAIMS; GENERAL INDEMNITY. To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold Enterprise Services and any Purchaser and their employees and agents harmless from and against all claims, demands, judgments, assessments, damages, penalties, fines, costs, liabilities, or losses including, without limitation, sums paid in settlement of claims, attorneys' fees, consultant fees, and expert fees (collectively "Claims") arising out of Contractor's or its successors', agents', or subcontractors' negligence, other tortious fault, or intentional misconduct under this Contract; *Provided*, however, that no right to indemnity will exist as to that portion of a Claim resulting from the sole negligence, tortious fault, or intentional misconduct of Enterprise Services or Purchaser. The parties agree that if there are any limitations of Contractor's liability, including a limitation of liability clause for anyone for whom the Contractor is responsible, such limitations of liability shall not apply to injuries to persons (including death), damages to property, data breach, and/or intellectual property infringement. Contractor shall take all steps needed to keep Purchaser's property free of liens arising from Contractor's activities, and promptly obtain or bond the release of any such liens that may be filed.

**15. DISPUTE RESOLUTION.** The parties shall cooperate to resolve any dispute pertaining to this Contract and awarded Purchaser work request(s) efficiently, as timely as practicable, and at the lowest possible level with authority to resolve such dispute. If, however, a dispute persists and cannot be resolved, it may be escalated within each organization. In such situation, upon notice by either party, each party, within five (5) business days shall reduce its description of the dispute to writing and deliver it to the other party. The receiving party then shall have three (3) business days to review and respond in writing. In the event that the parties cannot then agree on a resolution of the dispute, the parties shall schedule a conference between the respective senior managers of each organization to attempt to resolve the dispute. In the event the parties cannot agree, either party may resort to court to resolve the dispute.

#### **16. TERMINATION; EXPIRATION; SUSPENSION; & REMEDIES.**

- 16.1. TERMINATION. This Contract may be terminated: (a) upon the mutual written agreement of the parties; (b) by the non-breaching party where the breach is not cured within thirty (30)

calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in this Contract; and (c) as otherwise expressly provided for in this Contract. This Contract shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate this Contract as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach will not affect rights or obligations accrued or owed before the effective date of the termination notice.

- 16.2. TERMINATION FOR NONAPPROPRIATION OR REDUCTION OF FUNDS OR CHANGES IN LAW. Enterprise Services may suspend or terminate this Contract and Purchasers may suspend or terminate applicable work requests, in whole or in part, at the sole discretion of Enterprise Services or, as applicable, Purchaser, if Enterprise Services or, as applicable, Purchaser reasonably determines that: (a) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Contract or applicable work request(s); or (b) that a change in available funds affects Purchaser's ability to pay under the applicable work request(s). A change of available funds as used in this section includes, but is not limited to a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor. If a written notice is delivered under this provision, Purchaser will reimburse Contractor for Services properly ordered and/or Services properly performed until the effective date of said notice. Except as stated in this provision, in the event of termination for nonappropriation or reduction of funds or changes in law, Purchaser will have no obligation or liability to Contractor.
- 16.3. TERMINATION FOR PUBLIC CONVENIENCE. Enterprise Services, for public convenience, may terminate this Contract; *Provided*, however, that such termination for public convenience must, in Enterprise Services' judgment, be in the best interest of the State of Washington; and *Provided further*, that such termination for public convenience shall only be effective upon sixty (60) calendar days prior written notice; and *Provided further*, that such termination for public convenience shall not relieve any Purchaser from payment for Services already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such termination for public convenience, neither Enterprise Services nor any Purchaser shall have any obligation or liability to Contractor.
- 16.4. PURCHASER OBLIGATIONS – EXPIRATION. Upon expiration of this Contract, Purchaser shall pay Contractor, pursuant to this Contract, the relevant portion of the compensation set forth in the applicable work request(s). Notwithstanding any provision to the contrary, in no event shall a Purchaser's work request pursuant to this Contract that is executed prior to expiration of this Contract allow for Contractor to provide Services more than twelve (12) months beyond the expiration date of the Contract.
- 16.5. CONTRACTOR OBLIGATIONS – EXPIRATION OR TERMINATION. Upon expiration or termination of this Contract, Contractor shall: (a) continue to fulfill its warranty obligations with respect to any Services provided hereunder and all provisions of the Contract that, by their nature, would continue beyond the expiration, termination, or cancellation of the Contract shall so continue and survive; and (b) promptly return to Purchaser all keys, badges, and other materials, if any, supplied by Purchaser for the performance of any work request entered into pursuant to this Contract.
- 16.6. DEFAULT. Any of the following events shall constitute cause for Enterprise Services to declare Contractor in default of this Contract:

- (a) Contractor fails to perform or comply with any of the terms or conditions of this Contract;
  - (b) Contractor fails to timely report Contract sales;
  - (c) Contractor fails to timely pay the vendor management fees when due; or
  - (d) Contractor breaches any representation or warranty provided herein.
- 16.7. **SUSPENSION & TERMINATION FOR DEFAULT.** Enterprise Services may suspend Contractor's operations under this Contract immediately by written cure notice of any default. Suspension shall continue until the default is remedied to Enterprise Services' reasonable satisfaction; *Provided*, however, that, if after thirty (30) calendar days from such a suspension notice, Contractor remains in default, Enterprise Services may terminate Contractor's rights under this Contract. All of Contractor's obligations to Enterprise Services and Purchasers survive termination of Contractor's rights under this Contract, until such obligations have been fulfilled.
- 16.8. **REMEDIES FOR DEFAULT.**
- (a) Enterprise Services' rights to suspend and terminate Contractor's rights under this Contract are in addition to all other available remedies.
  - (b) In the event of termination for default, Enterprise Services may exercise any remedy provided by law including, without limitation, the right to procure for all Purchasers replacement Services. In such event, Contractor shall be liable to Enterprise Services for damages as authorized by law including, but not limited to, any price difference between the Contract price and the replacement or cover price as well as any administrative and/or transaction costs directly related to such replacement procurement – e.g., the cost of the competitive procurement.
- 16.9. **LIMITATION ON DAMAGES.** Notwithstanding any provision to the contrary, the parties agree that in no event shall any party or Purchaser be liable to the other for exemplary or punitive damages; *Provided*, however, that nothing contained in this Section will in any way exclude or limit: (a) a party's liability for all damages arising out of that party's intentional acts or omissions; or (b) the operation of any Services warranty provided in this Contract. Any limitation of either party's obligations under this Contract, by other documentation is void.
- 16.10. **SUSPENSION/TERMINATION PROCEDURE.** Regardless of basis, in the event of suspension or termination (in full or in part), the parties shall cooperate to ensure an orderly and efficient suspension or termination. Accordingly, Contractor shall provide to Purchasers a complete and accurate accounting of the Services that it has performed and the current status of its operations under the applicable work request(s) and Purchasers shall inspect, accept, and pay for the same in accordance with this Contract and the applicable work request(s). Unless directed by Enterprise Services to the contrary, Contractor shall not perform any Services after notice of suspension or termination inconsistent therewith.
- 16.11. **PURCHASER WORK REQUESTS.** Work requests may be terminated: (a) upon the mutual written agreement of the parties; (b) by the non-breaching party where the breach is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in the applicable Work request; and (c) as otherwise expressly provided for in the applicable work request. Work requests shall terminate automatically and without further action if a party becomes insolvent or is placed

in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate Work requests as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach will not affect rights or obligations accrued or owed before the effective date of the termination notice.

## **17. PUBLIC INFORMATION & PUBLIC RECORDS DISCLOSURE REQUESTS.**

- 17.1. WASHINGTON'S PUBLIC RECORDS ACT. Unless statutorily exempt from public disclosure, this Contract and all related records are subject to public disclosure as required by Washington's Public Records Act, RCW 42.56.
- 17.2. CONTRACTOR OBLIGATION. Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records provided to Enterprise Services that Contractor believes are statutorily exempt from disclosure and identify the precise statutory basis for exemption from disclosure. In addition, if, in Contractor's judgment, certain portions of such records are not statutorily exempt from disclosure but are sensitive because particular portions of Contractor's records (NOT including pricing) include highly confidential, proprietary, or trade secret information (or the equivalent) that Contractor protects through the regular use of confidentiality or similar agreements and routine enforcements through court enforcement actions, Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records that include such sensitive information.
- 17.3. ENTERPRISE SERVICES' OBLIGATION. In the event that Enterprise Services receives a public records disclosure request pertaining to records that Contractor has submitted and marked either as (a) statutorily exempt from disclosure; or (b) sensitive, Enterprise Services, prior to disclosure, will do the following: Enterprise Services' Public Records Officer will review any records marked by Contractor as statutorily exempt from disclosure. In those situations, where the designation comports with the stated statutory exemption from disclosure, Enterprise Services will redact or withhold the record(s) as appropriate. For records marked 'sensitive' or for records where Enterprise Services determines that no statutory exemption to disclosure applies or is unable to determine whether the stated statutory exemption to disclosure properly applies, Enterprise Services will notify Contractor, at the address provided in the Contract, of the public records disclosure request and identify the date that Enterprise Services intends to release the record(s) (including records marked 'sensitive' or exempt from disclosure) to the requester unless Contractor, at Contractor's sole expense, timely obtains a court order enjoining Enterprise Services from such disclosure. In the event Contractor fails to timely file a motion for a court order enjoining such disclosure, Enterprise Services will release the requested record(s) on the date specified. Contractor's failure properly to identify exempted or sensitive information or timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such records are exempt or protected from public disclosure.

Contractor and its employees and agents are not entitled to unemployment insurance or worker's compensation benefits through Enterprise Services or the State of Washington and Enterprise Services and the State of Washington will not pay for or otherwise provide such coverage for Contractor and its employees and agents.
- 18.8. ASSIGNMENT. Contractor may not assign its rights under this Contract without Enterprise Services' prior written consent and Enterprise Services may consider any attempted assignment without such consent to be void; *Provided*, however, that, if Contractor (a) provides written notice to Enterprise Services within thirty (30) calendar days of such event and (b) timely executes Enterprise Services' Assignment, Assumption, and Consent Agreement, Contractor may assign its rights under this Contract in full to any parent, subsidiary, or affiliate of Contractor that controls or is controlled by or under common control with Contractor, is merged or consolidated with Contractor, or purchases a majority or controlling interest in the ownership or assets of Contractor. - 18.12. SEVERABILITY. If any provision of this Contract is held to be invalid or unenforceable, such provision shall not affect or invalidate the remainder of this Contract, and to this end the provisions of this Contract are declared to be severable. If such invalidity becomes known or apparent to the parties, the parties agree to negotiate promptly in good faith in an attempt to amend such provision as nearly as possible to be consistent with the intent of this Contract.
- 18.13. WAIVER. Failure of either party to insist upon the strict performance of any of the terms and conditions hereof, or failure to exercise any rights or remedies provided herein or by law, or to notify the other party in the event of breach, shall not release the other party of any of its obligations under this Contract, nor shall any purported oral modification or rescission of this Contract by either party operate as a waiver of any of the terms hereof. No waiver by either party of any breach, default, or violation of any term, warranty, representation, contract, covenant, right, condition, or provision hereof shall constitute waiver of any subsequent breach, default, or violation of the same or other term, warranty, representation, contract, covenant, right, condition, or provision.
- 18.14. SURVIVAL. All representations, warranties, covenants, agreements, and indemnities set forth in or otherwise made pursuant to this Contract shall survive and remain in effect following the expiration or termination of this Contract, *Provided*, however, that nothing herein is intended to extend the survival beyond any applicable statute of limitations periods.
- 18.15. GOVERNING LAW. - 18.16. JURISDICTION & VENUE. In the event that any action is brought to enforce any provision of this Contract, the parties agree to exclusive jurisdiction in Thurston County Superior Court for the State of Washington and agree that in any such action venue shall lie exclusively at Olympia, Washington.
- 18.17. ATTORNEYS' FEES. In the event of litigation or other action brought to enforce this Contract, each party shall bear its own attorneys' fees and costs.
- 18.18. FAIR CONSTRUCTION & INTERPRETATION. The provisions of this Contract shall be construed as a whole according to their common meaning and not strictly for or against any party and consistent with the provisions contained herein in order to achieve the objectives and purposes of this Contract. Each party hereto and its counsel has reviewed and revised this Contract and agrees that the normal rules of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be construed in the interpretation of this Contract. Each term and provision of this Contract to be performed by either party shall be construed to be both a covenant and a condition.
