## Overtime Policy

### RENTAL RATES

Standard rental rates are based on the following:

Day Rate: 8 hours

Week Rate: 40 hours

Monthly Rate: 160 hours

Over time rates are 1.5 times the hourly rate at each Unit of Measurement (UOM -Day, Week, Month) for every hour that exceeds the UOM.

For example...

If the Day Rate is \$100, every hour over 8 hours would be \$18.75 ( $\$12.75 \times 1.5 = \$18.75$  per hour). If the total usage hours eclipse 40 total hours, the rate would transition to the weekly rate or whichever is lower.

If the Weekly Rate is \$250 every hour over 40 hours would be \$9.375 ( $\$6.25 \times 1.5 = \$9.375$  per hour) If the total hours eclipse 160 hours, the rate would transition to the monthly rate or whichever is lower.

If the Monthly Rate is \$750, every our over 160 hours would be \$7.03 ( $\$4.69 \times 1.5 = \$7.03$ ).

### EMPLOYEES

All non-exempt employees who work more than 8 hours in one workday or more than 40 hours in one workweek will receive overtime pay as follows:

- Overtime at the rate of 1 and 1/2 times the employee's regular rate of pay for all hours worked over 40 in any one workweek or for all hours worked over 8 hours in any one workday up to 12 hours.
- Overtime at the rate of 1 and 1/2 times the employee's regular rate of pay for the first 8 hours worked on the seventh day of work in any one workweek.
- Overtime at the rate of double the employee's regular rate of pay for all hours worked over 12 in one workday, and for all hours worked over 8 on the seventh day of work in one workweek.

Only hours actually worked are counted towards calculating an employee's overtime pay. Compensated holidays, PTO time, or sick leave, for example, are not hours worked and therefore are not counted in making overtime calculations.

All overtime hours must be preapproved by the employee's Supervisor. If an employee works overtime without obtaining preapproval, the employee will still be paid for the time worked, but may be subject to discipline, up to and including termination of employment.
