Vendor or subvendor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.

- D. **REMEDIES FOR BREACH.** Notwithstanding any provision to the contrary, in the event of MPA termination or suspension for engaging in discrimination, Vendor, subvendor, or both shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original MPA and the replacement or cover contract which damages are distinct from any penalties imposed under Chapter 49.60, RCW. For purposes of this provision, employees are similarly employed if the individuals work for the same employer, the performance of the job requires comparable skill, effort, and responsibility, and the jobs are performed under similar working conditions.
