SCRAP METAL COLLECTION & RECYCLING SERVICES

REGION: NORTHWEST, OLYMPIC, SOUTHWEST, AND SOUTH CENTRAL

This Washington Statewide Contract (“Contract”) is made and entered into by and between the State of Washington acting by and through the Department of Enterprise Services, a Washington State governmental agency (“Enterprise Services”) and Binford Metals LLC, a Washington limited liability company (“Contractor”) and is dated and effective as of June 1, 2023.

RECITALS

- A. Pursuant to Legislative authorization, Enterprise Services, on behalf of the State of Washington, is authorized to develop, solicit, and establish enterprise procurement solutions, including statewide contracts for goods and/or services to support Washington state agencies. See RCW 39.26.050(1). The Washington State Legislature also has authorized Enterprise Services to make these contracts available, pursuant to an agreement in which Enterprise Services ensures full cost recovery, to other local or federal government agencies or entities, public benefit nonprofit organizations, and any tribes located in the State of Washington. See RCW 39.26.050(1) & (2).
- B. Washington state agencies and other eligible purchasers, through their normal operational activities, generate or obtain metal items that may be recycled economically rather than sent to solid waste landfills. Accordingly, to enable Washington state agencies and other eligible purchasers to decrease environmental impacts and landfilling costs and, at the same time, enable licensed scrap metal businesses to access additional metal resources and recycle the same or profitably sell such metal resources to a third party scrap metal business, Enterprise Services, on behalf of the State of Washington, as part of a competitive governmental procurement, issued Competitive Solicitation No. 17222 dated January 4, 2023 for Scrap Metal Collection & Recycling Services. The Competitive Solicitation was structured to meet purchaser needs and designed to result in regional Contract awards, by designated geographic regions, in which the State of Washington was divided into six regions.
- C. Enterprise Services evaluated all responses to the Competitive Solicitation and identified Contractor as an apparent successful bidder for the Northwest, Olympic, Southwest, and South Central Regions. These regions include the following counties: Island, King, Pierce, San Juan, Skagit, Snohomish, Whatcom, Clallam, Grays Harbor, Jefferson, Kitsap, Mason, Clark, Cowlitz, Lewis, Pacific, Skamania, Thurston, Wahkiakum, Asotin, Benton, Columbia, Franklin, Garfield, Klickitat, Walla Walla, and Yakima.
- D. Enterprise Services has determined that entering into this Contract will meet the identified needs and be in the best interest of the State of Washington.
- E. The purpose of this Contract is to enable eligible purchasers to contract cost-effectively and efficiently with a qualified, licensed Contractor for Scrap Metal Collection & Recycling Services as set forth herein.

The reimbursement percentage shall be based off of pricing formulated from published indices (such as the American Metal Market) and/or the result of increases or decreases at the metal buyer's level. Contractor shall provide documentation of used pricing metrics upon request. The amount owed is due fifteen (15) days following the end of each month. Electronic copies shall be sent by the 15th of each month including a copy of the purchase ticket and certified weigh ticket with monthly reimbursement amount per pick-up site. Electronic copies must be provided in an electronic format that can be read by Microsoft (MS) Excel.
- 9.2. CONTRACTOR INVOICE. Contractor shall submit properly itemized invoices to Purchaser's designated invoicing contact for Goods and/or Services delivered under this Contract. Such invoices shall itemize the following:
- (a) Contract No. 17222;
 - (b) Contractor name, address, telephone number, and email address for billing issues (i.e., Contractor Customer Service Representative);
 - (c) Contractor's Federal Tax Identification Number;
 - (d) Date(s) of delivery;
 - (e) Applicable Goods and/or Services;
 - (f) Invoice amount; and
 - (g) Payment terms, including any available prompt payment discounts.

Contractor's invoices for payment shall reflect accurate Contract prices. Invoices will not be processed for payment until receipt of a complete invoice as specified herein.

- 9.3. PAYMENT. Payment is the sole responsibility of, and will be made by, the Purchaser. Purchaser's obligation to pay invoices is subject to receipt of a timely and accurate invoice and conforming Goods and/or Services. Unless Contractor has provided a prompt payment discount set forth in *Exhibit B – Prices*, Purchaser's payment is due within thirty (30) calendar days of invoice. Purchaser retains the right of setoff for any amount due or owing to Purchaser. Purchaser may make payments electronically (e.g., ACH payments). Contractor shall provide information necessary to facilitate electronic payments. If Purchaser fails to make timely payment(s), Contractor may invoice Purchaser in the amount of one percent (1%) per month on the amount overdue or a minimum of \$1. Payment will not be considered late if a check or warrant is mailed within the time specified.
- 9.4. ERRONEOUS PAYMENT. Contractor promptly shall refund to Purchaser the full amount of any erroneous payment. Such refunds shall occur within thirty (30) calendar days of written notice to Contractor; *Provided*, however, that Purchaser shall have the right to elect to have either direct payments or written credit memos issued. If Contractor fails to make timely

refunds of erroneous payment(s) (either directly or by credit memo), Contractor shall pay Purchaser interest at the rate of one percent (1%) per month on the amount overdue thirty (30) calendar days after notice to Contractor.

- 9.5. **ADVANCE PAYMENT PROHIBITED.** Except as authorized by law, Contractor shall not request or receive advance payment for any Goods and/or Services furnished by Contractor pursuant to this Contract.
- 9.6. **NO ADDITIONAL CHARGES.** Unless otherwise specified herein, Contractor shall not include or impose any additional charges including, but not limited to, charges for shipping, handling, insurance, or payment processing.
- 9.7. **TAXES/FEES.** Contractor promptly shall pay all applicable taxes on its operations and activities pertaining to this Contract. Failure to do so shall constitute breach of this Contract. Unless otherwise agreed, Purchaser shall pay applicable sales tax imposed by the State of Washington on purchased Goods and/or Services. Contractor's invoices shall separately state (a) taxable and non-taxable charges and (b) sales/use tax due by jurisdiction. 11. CONTRACTOR SALES REPORTING; VENDOR MANAGEMENT FEE; & CONTRACTOR REPORTS.

11.1. CONTRACT SALES REPORTING. Contractor shall report total Contract sales quarterly to Enterprise Services, as set forth below.

- (a) Contract Sales Reporting System. Contractor shall report quarterly Contract sales in Enterprise Services’ Contract Sales Reporting System. Enterprise Services will provide Contractor with a login password and a vendor number. The password and vendor number will be provided to the Sales Reporting Representative(s) listed on Contractor’s Bidder Profile.
- (b) Data. Each sales report must identify every authorized Purchaser by name as it is known to Enterprise Services and its total combined sales amount invoiced during the reporting period (i.e., sales of an entire agency or political subdivision, not its individual subsections). The “Miscellaneous” option may be used only with prior approval by Enterprise Services. Upon request, Contractor shall provide contact information for all authorized Purchasers specified herein during the term of the Contract. If there are no Contract sales during the reporting period, Contractor must report zero sales.
- (c) Due dates for Contract Sales Reporting. Quarterly Contract Sales Reports must be submitted electronically by the following deadlines for all Contract sales invoiced during the applicable calendar quarter:

QUARTER	FOR SALES MADE IN CALENDAR QUARTER ENDING	CONTRACT SALES REPORT	
		DUE BY	PAST DUE
1	January 1 – March 31	April 30	May 1
2	April 1 – June 30	July 31	August 1
3	July 1 – September 30	October 31	November 1
4	October 1 – December 31	January 31	February 1

11.2. VENDOR MANAGEMENT FEE. Contractor shall pay to Enterprise Services a vendor management fee (“VMF”) of 1.25 percent on the reimbursement price for all Contract sales.

- (a) The sum owed by Contractor to Enterprise Services as a result of the VMF is calculated as follows:

$$\text{Amount owed to Enterprise Services} = \text{Total Contract reimbursements} \times .0125.$$

- (b) The VMF must be rolled into Contractor's current pricing. The VMF must not be shown as a separate line item on any invoice unless specifically requested and approved by Enterprise Services.
- (c) Enterprise Services will invoice Contractor quarterly based on Contract reimbursements reported by Contractor. Contractor is not to remit payment until Contractor receives an invoice from Enterprise Services. Contractor's VMF payment to Enterprise Services must reference this Contract number, the year and quarter for which the VMF is being remitted, and Contractor's name as set forth in this Contract, if not already included on the face of the check.
- (d) Contractor's failure to report accurate total net Contract reimbursements, to submit a timely Contract sales report, or to remit timely payment of the VMF to Enterprise Services, may be cause for Enterprise Services to suspend Contractor or terminate this Contract or exercise remedies provided by law. Without limiting any other available remedies, the parties agree that Contractor's failure to remit to Enterprise Services timely payment of the VMF shall obligate Contractor to pay to Enterprise Services, to offset the administrative and transaction costs incurred by the State to identify, process, and collect such sums, the sum of \$200.00 or twenty-five percent (25%) of the outstanding amount, whichever is greater, or the maximum allowed by law, if less.
- (e) Enterprise Services reserves the right, upon thirty (30) calendar days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases, and reserves the right to renegotiate Contract pricing with Contractor when any subsequent adjustment of the VMF might justify a change in pricing.

11.3. ANNUAL CONTRACT SALES REPORT. Contractor shall provide to Enterprise Services a detailed annual Contract sales report. Such report shall include, at a minimum: the Goods and/or Services sold (including, as applicable, item number or other identifier), per unit quantities sold, items and volumes procured by Purchaser, shipment/delivery locations by Purchaser, and Contract price. This report must be provided in an electronic format that can be read by Microsoft (MS) Excel. Such report is due within thirty (30) calendar days of the annual anniversary of the effective date of this Contract.

12. RECORDS RETENTION & AUDITS.

12.1. RECORDS RETENTION. Contractor shall maintain books, records, documents, and other evidence pertaining to this Contract and orders placed by Purchasers under it to the extent and in such detail as shall adequately reflect contract performance and administration of purchases, payments, taxes, and fees. Contractor shall retain such records for a period of six (6) years following expiration or termination of this Contract or final payment for any order placed by a Purchaser against this Contract, whichever is later; *Provided*, however, that if any litigation,

claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.

- 12.2. **AUDIT.** Enterprise Services reserves the right to audit, or have a designated third party audit, applicable records to ensure that Contractor properly has invoiced Purchasers and that Contractor has paid all applicable vendor management fees to Enterprise Services. Accordingly, Contractor shall permit Enterprise Services, any Purchaser, and any other duly authorized agent of a governmental agency, to audit, inspect, examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Contract or Purchase Orders placed by a Purchaser under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. This right shall survive for a period of six (6) years following expiration or termination of this Contract or final payment for any order placed by a Purchaser against this Contract, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.
- 12.3. **OVERPAYMENT OF PURCHASES OR UNDERPAYMENT OF FEES.** Without limiting any other remedy available to any Purchaser, Contractor shall (a) reimburse Purchasers for any overpayments inconsistent with the terms of this Contract or Purchase Orders placed thereunder, at a rate of 125% of any such overpayments, found as a result of the examination of Contractor's records; and (b) reimburse Enterprise Services for any underpayment of vendor management fees, at a rate of 125% of such fees found as a result of the examination of Contractor's records (e.g., if Contractor underpays the Vendor Management Fee by \$500, Contractor would be required to pay to Enterprise Services $\$500 \times 1.25 = \625); *Provided*, however, that, in the event Contractor timely discovers and corrects any Purchaser overpayment or Contractor underpayment of vendor management fees and does so prior to the initiation of any audit, Contractor shall be entitled to reimburse Purchaser or pay to Enterprise Services the actual amount of such Purchaser overpayment or such underpayment of vendor management fees.

13. INSURANCE.

- 13.1. **REQUIRED INSURANCE.** Contractor, at its expense, shall maintain in full force and effect the insurance coverages set forth in *Exhibit C – Insurance Requirements*. All costs for insurance, including any payments of deductible amounts, shall be considered incidental to and included in the prices for Goods and/or Services and no additional payment shall be made to Contractor.
- 13.2. **WORKERS COMPENSATION.** Contractor shall comply with applicable workers compensation statutes and regulations (e.g., RCW Title 51, Industrial Insurance). If Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, Enterprise Services may terminate this Contract. This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from Contractor. If Contractor performs Services on Purchaser's behalf in the State of Washington, and only to the extent of claims against Contractor by Purchaser under the Indemnity obligations in this Contract, Contractor expressly waives any immunity it may be granted under the Washington State Industrial Insurance Act, Title 51 RCW. Contractor's indemnification obligation will not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable to or for any third party under workers' compensation acts, disability benefit acts, or other employee benefit acts. The

parties expressly acknowledge and certify that the waiver of immunity under Title 51 RCW was mutually negotiated and agreed upon.

14. CLAIMS.

- 14.1. **ASSUMPTION OF RISKS; CLAIMS BETWEEN THE PARTIES.** Contractor assumes sole responsibility and all risks of personal injury or property damage to itself and its employees and agents in connection with its operations under this Contract. Enterprise Services has made no representations regarding any factor affecting Contractor's risks. Contractor shall pay for all damage to any Purchaser's property resulting directly or indirectly from Contractor's acts or omissions under this Contract, even if not attributable to negligence by Contractor or its agents.
- 14.2. **THIRD-PARTY CLAIMS; GENERAL INDEMNITY.** To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold Enterprise Services and any Purchaser and their employees and agents harmless from and against all claims, demands, judgments, assessments, damages, penalties, fines, costs, liabilities, or losses including, without limitation, sums paid in settlement of claims, attorneys' fees, consultant fees, and expert fees (collectively "Claims") arising out of Contractor's or its successors', agents', or subcontractors' negligence, other tortious fault, or intentional misconduct under this Contract; *Provided*, however, that no right to indemnity will exist as to that portion of a Claim resulting from the sole negligence, tortious fault, or intentional misconduct of Enterprise Services or Purchaser. The parties agree that if there are any limitations of Contractor's liability, including a limitation of liability clause for anyone for whom the Contractor is responsible, such limitations of liability shall not apply to injuries to persons (including death), damages to property, data breach, and/or intellectual property infringement. Contractor shall take all steps needed to keep Purchaser's property free of liens arising from Contractor's activities, and promptly obtain or bond the release of any such liens that may be filed.
- 14.3. **INTELLECTUAL PROPERTY INDEMNITY.** To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold Enterprise Services and any Purchaser and their employees and agents harmless from against any and all Claims resulting from allegations of infringement of any patents, copyrights, trade secret, or similar intellectual property rights covering the Goods or Services provided, or the use of the Goods or Services under this Contract. If Purchaser's use of Goods or Services provided by Contractor is enjoined based on an intellectual property infringement Claim, Contractor shall, at its own expense, either procure for Purchaser the right to continue using the Goods or Services or, after consulting with Purchaser and obtaining Purchaser's consent, replace or modify the Goods or Services with substantially similar and functionally equivalent non-infringing Goods or Services.

- 15. DISPUTE RESOLUTION.** The parties shall cooperate to resolve any dispute pertaining to this Contract efficiently, as timely as practicable, and at the lowest possible level with authority to resolve such dispute. If, however, a dispute persists and cannot be resolved, it may be escalated within each organization. In such situation, upon notice by either party, each party, within five (5) business days shall reduce its description of the dispute to writing and deliver it to the other party. The receiving party then shall have three (3) business days to review and respond in writing. In the event that the parties cannot then agree on a resolution of the dispute, the parties shall schedule a conference between the respective senior managers of each organization to attempt to resolve the dispute. In the event the parties cannot agree, either party may resort to court to resolve the dispute.

16. TERMINATION; EXPIRATION; SUSPENSION; & REMEDIES.

- 16.1. TERMINATION. This Contract may be terminated: (a) upon the mutual written agreement of the parties; (b) by the non-breaching party where the breach is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in this Contract; and (c) as otherwise expressly provided for in this Contract. This Contract shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate this Contract as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach will not affect rights or obligations accrued or owed before the effective date of the termination notice.
- 16.2. TERMINATION FOR NONAPPROPRIATION OR REDUCTION OF FUNDS OR CHANGES IN LAW. Enterprise Services may suspend or terminate this Contract and Purchasers may suspend or terminate applicable Purchase Orders, in whole or in part, at the sole discretion of Enterprise Services or, as applicable, Purchaser, if Enterprise Services or, as applicable, Purchaser reasonably determines that: (a) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Contract or applicable Purchase Order; or (b) that a change in available funds affects Purchaser's ability to pay under the applicable Purchase Order. A change of available funds as used in this section includes, but is not limited to a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor. If a written notice is delivered under this provision, Purchaser will reimburse Contractor for Goods properly ordered and/or Services properly performed until the effective date of said notice. Except as stated in this provision, in the event of termination for nonappropriation or reduction of funds or changes in law, Purchaser will have no obligation or liability to Contractor.
- 16.3. TERMINATION FOR PUBLIC CONVENIENCE. Enterprise Services, for public convenience, may terminate this Contract; *Provided*, however, that such termination for public convenience must, in Enterprise Services' judgment, be in the best interest of the State of Washington; and *Provided further*, that such termination for public convenience shall only be effective upon sixty (60) calendar days prior written notice; and *Provided further*, that such termination for public convenience shall not relieve any Purchaser from payment for Goods/Services already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such termination for public convenience, neither Enterprise Services nor any Purchaser shall have any obligation or liability to Contractor.
- 16.4. PURCHASER OBLIGATIONS – EXPIRATION. Upon expiration of this Contract, Purchaser shall accept and take delivery of all outstanding and not yet fulfilled Purchase Orders and pay Contractor the price as set out in the Contract. Notwithstanding any provision to the contrary, in no event shall a Purchaser's Purchase Order pursuant to this Contract that is executed prior to expiration of this Contract allow for Contractor to provide Goods and/or Services more than twelve (12) months beyond the expiration date of the Contract.
- 16.5. CONTRACTOR OBLIGATIONS – EXPIRATION OR TERMINATION. Upon expiration or termination of this Contract, Contractor shall: (a) continue to fulfill its warranty obligations with respect to any Goods and/or Services sold hereunder and all provisions of the Contract that, by their nature, would continue beyond the expiration, termination, or cancellation of the Contract shall so continue and survive; and (b) promptly return to Purchaser all keys, badges, and other

materials supplied by Purchaser for the performance of any Purchase Order entered into pursuant to this Contract.

- 16.6. **DEFAULT.** Any of the following events shall constitute cause for Enterprise Services to declare Contractor in default of this Contract:
- (a) Contractor fails to perform or comply with any of the terms or conditions of this Contract;
 - (b) Contractor fails to timely report contract sales;
 - (c) Contractor fails to timely pay the vendor management fees when due; or
 - (d) Contractor breaches any representation or warranty provided herein.
- 16.7. **SUSPENSION & TERMINATION FOR DEFAULT.** Enterprise Services may suspend Contractor's operations under this Contract immediately by written cure notice of any default. Suspension shall continue until the default is remedied to Enterprise Services' reasonable satisfaction; *Provided*, however, that, if after thirty (30) calendar days from such a suspension notice, Contractor remains in default, Enterprise Services may terminate Contractor's rights under this Contract. All of Contractor's obligations to Enterprise Services and Purchasers survive termination of Contractor's rights under this Contract, until such obligations have been fulfilled.
- 16.8. **REMEDIES FOR DEFAULT.**
- (a) Enterprise Services' rights to suspend and terminate Contractor's rights under this Contract are in addition to all other available remedies.
 - (b) In the event of termination for default, Enterprise Services may exercise any remedy provided by law including, without limitation, the right to procure for all Purchasers replacement Goods and/or Services. In such event, Contractor shall be liable to Enterprise Services for damages as authorized by law including, but not limited to, any price difference between the Contract price and the replacement or cover price as well as any administrative and/or transaction costs directly related to such replacement procurement – e.g., the cost of the competitive procurement.
- 16.9. **LIMITATION ON DAMAGES.** Notwithstanding any provision to the contrary, the parties agree that in no event shall any party or Purchaser be liable to the other for exemplary or punitive damages; *Provided*, however, that nothing contained in this Section will in any way exclude or limit: (a) a party's liability for all damages arising out of that party's intentional acts or omissions; (b) the operation of any Goods or Services warranty provided in this Contract; or (c) damages subject to the Intellectual Property Indemnity section of this Contract. Any limitation of either party's obligations under this Contract, by delivery slips or other documentation is void.
- 16.10. **SUSPENSION/TERMINATION PROCEDURE.** Regardless of basis, in the event of suspension or termination (in full or in part), the parties shall cooperate to ensure an orderly and efficient suspension or termination. Accordingly, Contractor shall deliver to Purchasers all Goods and/or Services that are complete (or with approval from Enterprise Services, substantially complete) and Purchasers shall inspect, accept, and pay for the same in accordance with this Contract and the applicable Purchase Order. Unless directed by Enterprise Services to the contrary, Contractor shall not process any orders after notice of suspension or termination inconsistent therewith.

- 16.11. PURCHASER PURCHASE ORDERS. Purchaser Orders may be terminated: (a) upon the mutual written agreement of the parties; (b) by the non-breaching party where the breach is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in the applicable Purchase Order; and (c) as otherwise expressly provided for in the applicable Purchase Order. Purchase Orders shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate the Purchase Order as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach will not affect rights or obligations accrued or owed before the effective date of the termination notice.

17. PUBLIC INFORMATION & PUBLIC RECORDS DISCLOSURE REQUESTS.

- 17.1. WASHINGTON'S PUBLIC RECORDS ACT. Unless statutorily exempt from public disclosure, this Contract and all related records are subject to public disclosure as required by Washington's Public Records Act, RCW 42.56.
- 17.2. CONTRACTOR OBLIGATION. Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records provided to Enterprise Services that Contractor believes are statutorily exempt from disclosure and identify the precise statutory basis for exemption from disclosure. In addition, if, in Contractor's judgment, certain portions of such records are not statutorily exempt from disclosure but are sensitive because particular portions of Contractor's records (NOT including pricing) include highly confidential, proprietary, or trade secret information (or the equivalent) that Contractor protects through the regular use of confidentiality or similar agreements and routine enforcements through court enforcement actions, Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records that include such sensitive information.
- 17.3. ENTERPRISE SERVICES' OBLIGATION. In the event that Enterprise Services receives a public records disclosure request pertaining to records that Contractor has submitted and marked either as (a) statutorily exempt from disclosure; or (b) sensitive, Enterprise Services, prior to disclosure, will do the following: Enterprise Services' Public Records Officer will review any records marked by Contractor as statutorily exempt from disclosure. In those situations, where the designation comports with the stated statutory exemption from disclosure, Enterprise Services will redact or withhold the record(s) as appropriate. For records marked 'sensitive' or for records where Enterprise Services determines that no statutory exemption to disclosure applies or is unable to determine whether the stated statutory exemption to disclosure properly applies, Enterprise Services will notify Contractor, at the address provided in the Contract, of the public records disclosure request and identify the date that Enterprise Services intends to release the record(s) (including records marked 'sensitive' or exempt from disclosure) to the requester unless Contractor, at Contractor's sole expense, timely obtains a court order enjoining Enterprise Services from such disclosure. In the event Contractor fails to timely file a motion for a court order enjoining such disclosure, Enterprise Services will release the requested record(s) on the date specified. Contractor's failure properly to identify exempted or sensitive information or timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such records are exempt or protected from public disclosure.

18. GENERAL PROVISIONS.

- 18.1. TIME IS OF THE ESSENCE. Time is of the essence for each and every provision of this Contract.
- 18.2. COMPLIANCE WITH LAW. Contractor shall comply with all applicable law. Contractor shall obtain all necessary permits and approvals and give all stipulations, certifications, and representations that may be required for it to perform this Contract.

This Contract constitutes the entire agreement and understanding of the parties with respect to the subject matter and supersedes all prior negotiations, representations, and understandings between them. There are no representations or understandings of any kind not set forth herein.
- 18.4. AMENDMENT OR MODIFICATION. Except as set forth herein, this Contract may not be amended or modified except in writing and signed by a duly authorized representative of each party.
- 18.5. AUTHORITY. Each party to this Contract, and each individual signing on behalf of each party, hereby represents and warrants to the other that it has full power and authority to enter into this Contract and that its execution, delivery, and performance of this Contract has been fully authorized and approved, and that no further approvals or consents are required to bind such party.
- 18.6. NO AGENCY. The parties agree that no agency, partnership, or joint venture of any kind shall be or is intended to be created by or under this Contract. Neither party is an agent of the other party nor authorized to obligate it.
- 18.7. INDEPENDENT CONTRACTOR. The parties intend that an independent contractor relationship is created by this Contract. Contractor and its employees or agents performing under this Contract are not employees or agents of Enterprise Services. Contractor shall not have authorization, express or implied, to bind Enterprise Services to any agreement, liability, or understanding, except as expressly set forth herein. Contractor and its employees and agents are not entitled to unemployment insurance or worker's compensation benefits through Enterprise Services or the State of Washington and Enterprise Services and the State of Washington will not pay for or otherwise provide such coverage for Contractor and its employees and agents.
- 18.8. ASSIGNMENT. Contractor may not assign its rights under this Contract without Enterprise Services' prior written consent and Enterprise Services may consider any attempted assignment without such consent to be void; *Provided*, however, that, if Contractor (a) provides written notice to Enterprise Services within thirty (30) calendar days of such event and (b) timely executes Enterprise Services' Assignment, Assumption, and Consent Agreement, Contractor may assign its rights under this Contract in full to any parent, subsidiary, or affiliate of Contractor that controls or is controlled by or under common control with Contractor, is merged or consolidated with Contractor, or purchases a majority or controlling interest in the ownership or assets of Contractor. Unless otherwise agreed, Contractor guarantees prompt performance of all obligations under this Contract notwithstanding any prior assignment of its rights.
- 18.9. BINDING EFFECT; SUCCESSORS & ASSIGNS. This Contract shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.
- 18.10. ASSIGNMENT OF ANTITRUST RIGHTS REGARDING PURCHASED GOODS AND/OR SERVICES. Contractor irrevocably assigns to Enterprise Services, on behalf of the State of Washington, any claim for relief or cause of action which Contractor now has or which may accrue to Contractor in the future by reason of any violation of state or federal antitrust laws in connection with any

Goods and/or Services provided in Washington for the purpose of carrying out Contractor's obligations under this Contract, including, at Enterprise Services' option, the right to control any such litigation on such claim for relief or cause of action.

- 18.11. FEDERAL FUNDS. To the extent that any Purchaser uses federal funds to purchase Goods and/or Services pursuant to this Contract, such Purchaser shall specify, with its Purchase Order, any applicable requirement or certification that must be satisfied by Contractor at the time the Purchase Order is placed or upon delivery of such Goods and/or Services to Purchaser.
- 18.12. SEVERABILITY. If any provision of this Contract is held to be invalid or unenforceable, such provision shall not affect or invalidate the remainder of this Contract, and to this end the provisions of this Contract are declared to be severable. If such invalidity becomes known or apparent to the parties, the parties agree to negotiate promptly in good faith in an attempt to amend such provision as nearly as possible to be consistent with the intent of this Contract.
- 18.13. WAIVER. Failure of either party to insist upon the strict performance of any of the terms and conditions hereof, or failure to exercise any rights or remedies provided herein or by law, or to notify the other party in the event of breach, shall not release the other party of any of its obligations under this Contract, nor shall any purported oral modification or rescission of this Contract by either party operate as a waiver of any of the terms hereof. No waiver by either party of any breach, default, or violation of any term, warranty, representation, contract, covenant, right, condition, or provision hereof shall constitute waiver of any subsequent breach, default, or violation of the same or other term, warranty, representation, contract, covenant, right, condition, or provision.
- 18.14. SURVIVAL. All representations, warranties, covenants, agreements, and indemnities set forth in or otherwise made pursuant to this Contract shall survive and remain in effect following the expiration or termination of this Contract, *Provided*, however, that nothing herein is intended to extend the survival beyond any applicable statute of limitations periods.
- 18.15. GOVERNING LAW. The validity, construction, performance, and enforcement of this Contract shall be governed by and construed in accordance with the laws of the State of Washington, without regard to any choice of law principles that would provide for the application of the laws of another jurisdiction.
- 18.16. JURISDICTION & VENUE. In the event that any action is brought to enforce any provision of this Contract, the parties agree to exclusive jurisdiction in Thurston County Superior Court for the State of Washington and agree that in any such action venue shall lie exclusively at Olympia, Washington.
- 18.17. ATTORNEYS' FEES. In the event of litigation or other action brought to enforce this Contract, each party shall bear its own attorneys' fees and costs.
- 18.18. FAIR CONSTRUCTION & INTERPRETATION. The provisions of this Contract shall be construed as a whole according to their common meaning and not strictly for or against any party and consistent with the provisions contained herein in order to achieve the objectives and purposes of this Contract. Each party hereto and its counsel has reviewed and revised this Contract and agrees that the normal rules of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be construed in the interpretation of this Contract. Each term and provision of this Contract to be performed by either party shall be construed to be both a covenant and a condition.

- 18.19. **FURTHER ASSURANCES.** In addition to the actions specifically mentioned in this Contract, the parties shall each do whatever may reasonably be necessary to accomplish the transactions contemplated in this Contract including, without limitation, executing any additional documents reasonably necessary to effectuate the provisions and purposes of this Contract.

INCLUDED SERVICES

This contract is for the collection, removal, transportation, and recycling of specified metal items for eligible purchasers (“Scrap Metal Collection & Recycling Services”). Contractors shall provide, administer, and manage Scrap Metal Collection & Recycling Services for eligible purchasers who utilize the Contract. Contract pricing will be based upon a contracted reimbursement percentage to the applicable eligible purchaser who utilizes the Scrap Metal Collection & Recycling Services Contract for their respective scrap metal. Contractors shall provide each of the following four types of service, as may be requested by eligible purchasers:

- Full Service;
- Temporary Placement for Construction Projects;
- Single Use; and
- Will Call.

Types of metal accepted:

- Ferrous Metals
- Clean Aluminum
- Insulated Aluminum
- (Aluminum Core Steel Reinforced (ACSR))
- Clean Copper
- Insulated Copper
- Brass

The differing reimbursement rates for each metal type can be found in *Exhibit B – Prices*.

Performance Requirements:

1. MINIMUM CONTRACTOR QUALIFICATIONS.
 - (a) Bidder must have and provide necessary transportation equipment to load and transport scrap metal in hauling containers.
 - (b) Bidder must have the ability to deliver and pick-up collection units and recycled materials for all locations within the region(s) bid.
2. FULL SERVICE. Full service is when the Contractor leaves a collection unit(s) on-site, and coordinates a routine pick-up schedule with the Purchaser.
 - (a) Contractor reserves the right to not provide full service to a Purchaser location if it is determined that the annual collected poundage would not adequately cover delivery and pick-up costs.

3. TEMPORARY PLACEMENT FOR CONSTRUCTION PROJECTS. Contractor shall provide collection unit(s) for temporary placement at a Purchaser location for construction projects. Purchaser is responsible for loading the collection units. Frequency of pick-up and duration of placement must be mutually agreed in writing between Purchaser and Contractor in the Purchase Order.
4. SINGLE USE. Contractor shall provide single use service. Single use service is when the Contractor provides a collection unit(s) for one-time use at a Purchaser location. Purchaser is responsible for loading the collection unit(s).
5. WILL CALL. Contractor shall provide will-call service. Will-call is when the Contractor removes and loads the recycled material into their collection unit(s) at Purchaser's location.
6. PICK-UP REQUIREMENTS. Contractor shall pick-up collection units for all locations within the Contract Region. Pick-up of collection units shall be made during Purchaser's normal business hours, per Purchaser's security and access processes, or as otherwise mutually agreed in writing between the Purchaser and Contractor in Purchase Order. Following the pick-up of collection units, Contractor shall replace collection unit as specified by Purchase Order. Replacement shall occur within three (3) business days following the initial pick-up. Replacement outside the three (3) business days timeframe must be mutually agreed in writing between Purchaser and Contractor in the Purchase Order.
7. RESPONSE TIME. Contractor shall pick-up collection units within 24 hours after receipt of Purchase Order for locations within 50 miles of Contractor's yard. Contractor shall pick-up collection units within 48 hours after receipt of Purchase Order for locations located 51 miles or further from Contractor's yard. Pick-up exceeding the standard response time must be communicated by Contractor to Purchaser. Pick-up outside the standard timeframe must be mutually agreed in writing between Purchaser and Contractor in the Purchase Order.
8. MINIMUM POUNDAGE. Minimum poundage is used to determine the lowest amount of weight Contractor shall provide the Standard Reimbursement Percentage. Minimum poundage should reflect the minimum weight of metal necessary to make collection services profitable. Contractor shall review with Purchaser the estimated pick-up load weight before arranging service to minimize short loads. A short load is when the load picked up is below the established contract minimum poundage for the particular metal type. In the event of a short load, Contractor shall provide pick up services at a reduced reimbursement rate, the Short Load Reimbursement Percentage, as set forth in *Exhibit B – Prices*. This difference in reimbursement may reflect the additional cost of providing collection services that fail to meet the minimum poundage. The Standard Reimbursement Percentage shall apply to all loads that meet or exceed the minimum poundage set forth in *Exhibit B – Prices*.
9. FREIGHT ALLOWANCE. For Purchase Orders where the freight cost of providing the service exceeds the Contractor's proceeds from the weight picked up, Contractor may apply a Freight Allowance charge to the load proceeds. Although Contractor may offer lower Freight Allowance charges to Purchasers, Contractor guarantees to provide the Goods/Services at no greater than the prices set forth in *Exhibit B – Prices*.
 - (a) The Freight Allowance charge shall not exceed the Purchaser's proceeds unless the Purchaser has agreed to it in writing before the pick-up. Contractor shall work to combine multiple pick-ups to minimize the Freight Allowance charges when possible. The Freight Allowance is charged per weight of product picked up and transported. The Charge will be determined on weight/mileage rates for one way travel as set forth in *Exhibit B – Prices*. Contractor shall communicate

to the Purchaser when this charge applies, the amount, and receive Purchaser pre-approval before proceeding with service request.

10. COLLECTION UNIT REQUIREMENTS. Contractor shall provide clean, leak-proof, and painted collection units, units shall be replaced if determined to be unsightly by Purchaser. Contractor shall provide varying sizes and adequately sized collection units for Purchaser's needs and locations. Contractor is required to provide collection units suitable for all types of metal set forth in *Exhibit A – Included Services*. Collection units are to be provided on a loan basis at no cost or liability to the Purchaser. Solid waterproof lids shall be available on all container sizes upon Purchaser request. Contractor and Purchaser shall mutually agree on the appropriate size of the collection unit. Contractor shall have available the following container sizes:
 - (a) 40 yards
 - (b) 30 yards
 - (c) 25 yards
 - (d) 20 yards
 - (e) 4x4
 - (f) 4x6
 - (g) 5x5
 - (h) 4x8
11. RECEIPT AND INSPECTION OF GOODS AND/OR SERVICES. Goods and/or Services procured under this Contract are subject to Purchaser's reasonable approval. Purchaser reserves the right to reject and refuse acceptance of Goods and/or Services that are not in accordance with this Contract and Purchaser's Purchase Order. If there are any apparent defects in the Goods and/or Services at the time of performance, Purchaser promptly will notify Contractor. At Purchaser's option, and without limiting any other rights, Purchaser may require Contractor to repair or replace, at Contractor's expense, any or all defective Goods and/or Services or, at Purchaser's option, Purchaser may note any such defect, decline acceptance, and deduct the cost of rejected Goods and/or Services from final payment. Payment for any Goods and/or Services under such Purchase Order shall not be deemed acceptance.
12. STORAGE REQUIREMENTS. Following pick-up of collection units and recycled materials, Contractor shall store and manage the collected scrap metal to preserve its value, and shall store the collected scrap metal in a manner that presents little or no risk to human health and the environment.
13. CUSTOMER SERVICE. Contractor shall have at least one key personnel available Monday – Friday 6:00 am to 5:00 pm, Saturday 8:00 am to 1:45 pm. Contractor shall provide an immediate response to customer inquiry through a dedicated dispatch line.
14. WEIGHT TICKETS ACCOUNTABILITY. All weight tickets must comply with WAC 200-360-045, Weight merchandise-Surplus property. If the property to be disposed of is measured by weight, the successful bidder shall furnish to the custodian of the property, a certified weight ticket showing the gross tare and net weight of the shipment with a notation on the ticket of the driver on or off of the vehicle for each load. The empty and loaded weight ticket must bear the same date. Weighing shall take place at the certified public scale nearest to the point of pickup.

 - a. **COMMERCIAL GENERAL LIABILITY INSURANCE.** Commercial general liability insurance (and, if necessary, commercial umbrella liability insurance) covering bodily injury, property damage, products/completed operations, personal injury, and advertising injury liability on an 'occurrence form' that shall be no less comprehensive and no more restrictive than the coverage provided by Insurance Services Office (ISO) under the most recent version of form CG 00 01 in the amount of not less than \$2,000,000 per occurrence and \$4,000,000 general aggregate. This coverage shall include blanket contractual liability coverage. This coverage shall include a cross-liability clause or separation of insured condition.
 - b. **WORKERS' COMPENSATION INSURANCE.** Contractor shall comply with applicable Workers' Compensation or Industrial Accident insurance providing benefits as required by law.
 - c. **EMPLOYERS' LIABILITY (STOP GAP) INSURANCE.** Employers' liability insurance (and, if necessary, commercial umbrella liability insurance) with limits not less than \$1,000,000 each accident for bodily injury by accident, \$1,000,000 each employee for bodily injury by disease, and \$1,000,000 bodily injury by disease policy limit.
 - d. **COMMERCIAL AUTOMOBILE LIABILITY INSURANCE.** Commercial automobile liability insurance covering the ownership, maintenance, and/or use of all owned/leased, non-owned, and hired vehicles used in the performance of the Statewide Contract, with limits of not less than \$2,000,000 per accident, combined single limit for bodily injury and property damage liability. Coverage shall be provided on Insurance Services Office (ISO) form number CA 0001 or an equivalent. The required limits can be satisfied by any combination of primary, umbrella, or excess policy.

Limits of liability shall not be less than \$1,000,000 combined single limit per accident. Coverage shall be provided on Insurance Services Office (ISO) form number CA 0001 or an equivalent.

The insurance coverage limits set forth herein are the minimum. Contractor's insurance coverage shall be no less than the minimum amounts specified. Coverage in the amounts of these minimum limits, however, shall not be construed to relieve Contractor from liability in excess of such limits. Contractor waives all rights against the State of Washington for the recovery of damages to the extent such damages are covered by any insurance required herein.

2. **INSURANCE CARRIER RATING.** Coverages provided by Contractor must be underwritten by an insurance company deemed acceptable to the State of Washington's Office of Risk Management. Insurance coverage shall be provided by companies authorized to do business within the State of Washington and rated A- Class VII or better in the most recently published edition of Best's

In addition, no less than ten (10) calendar days prior to coverage expiration, Contractor shall furnish to Enterprise Services an updated or renewed certificate of insurance, satisfactory to Enterprise Services, that insurance, in the above-stated kinds and minimum amounts, has been secured. Failure to maintain or provide proof of insurance, as required, will result in contract cancellation. **All policies and certificates of insurance shall include the Contract number stated on the cover of this Contract.** All certificates of Insurance and any related insurance documents shall be delivered to Enterprise Services by U.S. mail, postage prepaid, or sent via email, and shall be sent to the address or email address set forth below or to such other address or email address as Enterprise Services may specify in writing:

All insurance or self-insurance of the State of Washington and/or Purchasers shall be excess of any insurance provided by Contractor or subcontractors.
6. **SUBCONTRACTORS.** Contractor shall include all subcontractors as insureds under all required insurance policies. Alternatively, prior to utilizing any subcontractor, Contractor shall cause any such subcontractor to provide insurance that complies with all applicable requirements of the insurance set forth herein and shall furnish separate Certificates of Insurance and endorsements for each subcontractor. Each subcontractor must comply fully with all insurance requirements stated herein.
