- B. The Parties have not previously amended the Contract.
- C. The Parties intend to amend the Contract to adjust the applicable Vendor Management Fee (VMF) for Contract purchases made on or after April 1, 2017. - D. The amendment set forth herein is within the scope of the Contract.
- E. The Parties now desire to amend the Contract as set forth herein.

A G R E E M E N T

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the Parties hereby agree to amend the Contract, as previously amended, as follows:

1. **VENDOR MANAGEMENT FEE.** Section 7.2 of the Contract is hereby amended by deleting the existing Section in its entirety and inserting the following in lieu thereof:

Section 7.2 - **VENDOR MANAGEMENT FEE.** Contractor shall pay to Enterprise Services a vendor management fee ("VMF") of 1.00 percent on the purchase price for all Contract sales (the purchase price is the total invoice price less applicable sales tax).

- (a) The sum owed by Contractor to Enterprise Services as a result of the VMF is calculated as follows:

Amount owed to Enterprise Services = Total Contract sales
invoiced (not including sales tax) x .0100.

Contractor's VMF payment to Enterprise Services must reference this Contract number, work request number (if applicable), the year and quarter for which the VMF is being remitted, and the Contractor's name as set forth in this Contract, if not already included on the face of the check.
- (d) Failure to accurately report total net sales, to submit a timely usage report, or remit timely payment of the VMF, may be cause for Master Contract termination or the exercise of other remedies provided by law.
- (e) Enterprise Services reserves the right, upon thirty (30) days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases, and reserves the right to renegotiate Contract pricing with Contractor when any subsequent adjustment of the VMF might justify a change in pricing.

See RCW 39.26.050(1) & (2).
- B. To provide a cost-effective and efficient procurement solution for state agencies and other eligible purchasers, Enterprise Services typically develops multi-year Master Contracts. Such Master Contracts establish pricing and, where appropriate, price adjustments over the term of the Master Contract.

 - b. 05916a02 – Term Extension - January 01, 2022.
- E. Enterprise Services and Contractor are witnessing unanticipated costs increases pertaining to certain raw materials, components, and logistical supply constraints that are unexpectedly tensioning pricing pertaining to this Master Contract. Accordingly, the Parties now desire to amend the Master Contract to address certain unanticipated cost increases and provide

temporary an equitable, temporary price adjustment consistent with the purpose of this Master Contract.

F. The amendment set forth herein is within the scope of the Master Contract.

A G R E E M E N T

NOW THEREFORE, in consideration of the mutual covenants and agreements set forth herein, the Parties hereby agree to amend the Master Contract, as previously amended, as follows:

Notwithstanding any provision to the contrary, beginning October 12th, 2021, upon written request by Contractor, Enterprise Services will review, evaluate, and, as appropriate in its sole determination, approve temporary price adjustments pertaining to Master Contract goods/services impacted by unexpected costs that are beyond the Master Contract's applicable price adjustment procedures, if any; *Provided*, however, that:

- (a) Contractor must request such temporary price adjustment in writing and set forth the unexpected costs that are adversely impacting Contractor's specific Master Contract goods/services;
- (b) The unexpected costs must be unanticipated, beyond the reasonable control of Contractor, and impacting Contractor's industry/market segment (if the unexpected costs only are impacting Contractor and not its competitors, there will be no temporary price adjustment);
- (c) The unexpected costs must not be part of any other price adjustment (e.g., a PPI inflation adjustment) allowed or provided by the Master Contract and, if granted by Enterprise Services, the impact of any temporary price adjustment will be considered by Enterprise Services and factored into any other price adjustments as allowed or provided by the Master Contract;
- (d) Contractor must propose to Enterprise Services a reasonable, temporary price adjustment that, based on a material input percentage basis (or similar appropriate metric) for the goods/services equitably aligns Master Contract prices for impacted goods/services with the Master Contract's allocation of risk/return (e.g., Contractor's margin);
- (e) Contractor must document to Enterprise Services that Contractor already has implemented equivalent or greater price adjustments for Contractor's goods/services to other non-affiliated customers outside of the Master Contract based on the unexpected costs identified to Enterprise Services;
- (f) Contractor, acting in good faith, also must evaluate and, as appropriate, propose temporary price adjustments if costs for Contractor's Master Contract goods/services have unexpectedly decreased;
- (g) Enterprise Services, acting in good faith, will have sole discretion to approve the scope, amount, and duration of any temporary price adjustment;
- (h) Any such temporary price adjustment will be temporary and will include a stated period that will not exceed 180 days (Contractor, if circumstances warrant, may seek a subsequent temporary price adjustment); and
- (i) Unless and until a temporary price adjustment is approved in writing by Enterprise Services, Contractor will not adjust Master Contract prices.

2. NO CHANGE OTHER THAN AMENDMENT. Except as amended herein, the Master Contract is unaffected and remains in full force and effect.
3. INTEGRATED AGREEMENT; MODIFICATION. This Amendment constitutes the entire agreement and understanding of the Parties with respect to the subject matter and supersedes all prior negotiations and representations.
