### Amendment 1

(ME) Offeror must complete all **unshaded fields** this Cost Proposal. The format and structure of the Cost Proposal is intended to allow for a fair evaluation of like costs among Offerors. Deviation from the format or structure of this Cost Proposal may result in Offeror's proposal being deemed non-responsive.

Offeror is wholly responsible for ensuring figures and calculations submitted in Offeror's completed Cost Proposal are accurate, even if formulas have been provided by the Lead State as a courtesy.

**Bidder must enter \$0 in the LUMA line item. Bidder must submit costs in Attachment 9, Cost Proposal as an attachment in their RFP response.**

Inclusion of cost or pricing information in any document other than this Cost Proposal may result in Offeror's proposal being deemed non-responsive.

#### Proposed Costs

Offeror's Cost must be inclusive of all profit, expenses, fees, and charges, including but not limited to fees or charges for shipping, delivery, credit card payments, and personnel. **All costs proposed by Offeror must also be inclusive of the NASPO ValuePoint administrative fee.** Proposed costs incorporated into a Master Agreement resulting from this RFP represent not-to-exceed pricing and minimum discounts, where applicable. Except as permitted below, pricing offered to Participating Entities and Purchasing Entities must be no higher than pricing set forth in the Master Agreement.

A Participating Addendum may also require payment of an additional administrative fee by Contractors to a Participating Entity based on sales to Purchasing Entities within the jurisdiction of the Participating Entity. **Unless otherwise negotiated by the Participating Entity,** Contractor may adjust the Master Agreement pricing incorporated into the Participating Entity's Participating Addendum by an amount not to exceed the Participating Entity's fee. Such adjustments will have no effect on the NASPO ValuePoint administrative fee, pricing in the Master Agreement, or pricing offered to Purchasing Entities outside the jurisdiction of the Participating Entity.

If you wish to propose any Value-Added Services related to Notification and Credit Monitoring Services, please attach a detailed description and pricing for each. The pricing for Value-Added Services related to Notification and Credit Monitoring Services will not be factored in the evaluation of Cost Proposals for Notification and Credit Monitoring Services.
