**RECITALS**

- A. Pursuant to Legislative authorization, Enterprise Services, on behalf of the State of Washington, is authorized to develop, solicit, and establish enterprise procurement solutions, including statewide contracts, for goods/services to support Washington state agencies (“Contract”). See RCW 39.26.050(1). The Washington State Legislature also has authorized Enterprise Services to make these contracts available, pursuant to an agreement in which Enterprise Services ensures full cost recovery, to other local or federal government agencies or entities, public benefit nonprofit organizations, and any tribes located in the State of Washington. See RCW 39.26.050(1) & (2).
- B. The Washington State Legislature also has authorized Enterprise Services to participate in, sponsor, conduct, or administer cooperative purchasing agreements. See RCW 39.26.050(1). See *WA/OR Interstate Cooperative Agreement No. DASPS-56815-14* (dated January 1, 2015). The *WA/OR Interstate Cooperative Agreement* enables specified eligible Purchasers to utilize certain of each state’s designated competitively solicited Contracts. The *WA/OR Interstate Cooperative Agreement* creates the opportunity for procurement efficiencies and cost savings as well as increasing potential use and marketplace incentives for vendors to contract with the states.
- C. The Cooperative Purchasing Agreement is designed to enable eligible Purchasers to procure Survey and Mapping Equipment and Supplies from the awarded Contractors in a cost-effective, efficient manner using the terms and conditions of the Cooperative Purchasing Agreement.

- D. Enterprise Services evaluated all responses to the Competitive Solicitation and identified Contractor as an Apparent Successful Bidder.
- E. Enterprise Services has determined that entering into this Cooperative Purchasing Agreement will meet the identified needs and be in the best interest of the State of Washington.
- F. The purpose of this Cooperative Purchasing Agreement is to enable eligible Purchasers to purchase the Goods as set forth herein.

Upon discovery or reasonable belief of any access, destruction, loss, theft, use or disclosure of Customer's Data by an unauthorized party ("Data Breach"), Contractor shall quarantine the Data Breach, ensure secure access to Data, and restore Services as needed to comply with terms and conditions of this Contract. In the event of the Data Breach, Contractor agrees to comply with all applicable state and federal statutory provisions, including but not limited to Revised Code of Washington (RCW) 19.255.010 and RCW 42.56.590. Where notifications are required to the public or regulators, Contractor shall coordinate and cooperate with Customer in the development of a communication plan, and promptly and at no cost, provide advance copies of any notifications for Customer's review before disseminating. If a Data Breach occurs and is found to be the result of Contractor's acts, omissions or negligence, Contractor shall assume complete responsibility for notification of affected parties and be liable for all associated costs incurred by Customer in responding to or recovering from the Data Breach.
- 8.9. RETURN OF DATA. Sixty (60) days prior to the expiration date of this Contract, or upon notice of termination of this Contract, Contractor, without charges and without any conditions or contingencies, shall assist Enterprise Services in extracting and/or transitioning all Data in the format specified by Enterprise Services. After all Data is returned to Enterprise Services, Contractor shall within sixty (60) days delete all Data from all Contractor's systems in compliance with procedures established by the National Institute of Standards and Technology (NIST). Within the same time period, Contractor shall certify to Enterprise Services that Contractor has destroyed all Enterprise Services' Data disclosed to it under this Contract.
- 8.10. MAINTENANCE. Contractor shall provide bug fixes, corrections, modifications, enhancements, upgrades and new releases to the software at no additional cost to the Purchasers to ensure: (a) the functionality of the software is in accordance with this Contract and the Documentation; and (b) the Services comply with the most current industry, security and

accessibility standards. GIS Software must be inclusive of available software patches and any updates.

- 8.11. GIS SOFTWARE PURCHASING AND LICENSE AGREEMENTS. Purchasers that acquire GIS Software can only use such software in conjunction with Survey and/or Mapping equipment. Purchasers who acquire GIS Software are only allowed to purchase such software from a Contractor who was also awarded any or all Contract Categories on this Cooperative Purchasing Agreement. Purchasers that acquire GIS Software may be subject to End User License Agreements associated with such software. Contractors must allow Purchasers to review, negotiate, and mutually agree with the Contractor, if needed, on the End User License Agreement terms applicable to the GIS Software. In the case of a conflict, the Cooperative Purchasing Agreement terms will govern.
- 8.12. DOCUMENTATION. Contractor shall provide the Documentation for the software ("Documentation") that accurately and completely describes the functions and features, including all subsequent revisions thereto. The Documentation shall be understandable by a typical end user and shall provide Authorized Users with sufficient instructions such that a user can become self-reliant with respect to access and use of the software.
- 8.13. NO AUTOMATIC RENEWAL FOR SOFTWARE SUBSCRIPTIONS. Contractor shall not include any automatic renewal provisions in their quotes or ordering documents for any software subscriptions. Any such automatic renewal provisions will have no effect and will not be binding to the Purchaser. Upon the expiration of the initial Purchase Order term, Purchaser, at its sole discretion, may send a request to Contractor to renew the Purchase Order. If there is no such request for extension, the parties will have no further obligations to each other under this Cooperative Purchasing Agreement.

## 9. INVOICING & PAYMENT.

- 9.1. CONTRACTOR INVOICE. Contractor must submit properly itemized invoices to Purchaser's designated invoicing contact for Goods delivered under this Cooperative Purchasing Agreement. Such invoices must itemize the following:

Contractor's invoices for payment shall reflect accurate Cooperative Purchasing Agreement prices. Invoices will not be processed for payment until receipt of a complete invoice as specified herein.

- 9.2. PAYMENT. Payment is the sole responsibility of, and shall be made by, the Purchaser. Purchaser's obligation to pay invoices is subject to receipt of a timely and accurate invoice and conforming Goods. Unless Contractor has provided a prompt payment discount set forth in ***Exhibit B – Prices for Goods***, Purchaser's payment is due within thirty (30) calendar days of

invoice. Purchaser retains the right of setoff for any amount due or owing to Purchaser. Purchaser may make payments electronically (e.g., ACH payments). Contractor shall provide information necessary to facilitate electronic payments. If Purchaser fails to make timely payment(s), Contractor may invoice Purchaser in the amount of one percent (1%) per month on the amount overdue or a minimum of \$1. Payment shall not be considered late if a check or warrant is mailed within the time specified.

- 9.3. **OVERPAYMENTS.** Contractor promptly shall refund to Purchaser the full amount of any erroneous payment or overpayment. Such refunds shall occur within thirty (30) calendar days of written notice to Contractor; *Provided*, however, that Purchaser shall have the right to elect to have either direct payments or written credit memos issued. If Contractor fails to make timely refunds of overpayment(s) (either directly or by credit memo), Contractor shall pay Purchaser interest at the rate of one percent (1%) per month on the amount overdue thirty (30) calendar days after notice to Contractor.
- 9.4. **ADVANCE PAYMENT PROHIBITED.** Except as authorized by law, Contractor shall not request or receive advance payment for any Goods furnished by Contractor pursuant to this Cooperative Purchasing Agreement.

- 9.6. **TAXES/FEES.** Contractor promptly shall pay all applicable taxes on its operations and activities pertaining to this Contract. Failure to do so shall constitute breach of this Contract. Unless otherwise agreed, Purchaser shall pay applicable sales tax imposed by the State of Washington on purchased Goods. Contractor's invoices shall separately state (a) taxable and non-taxable charges and (b) sales/use tax due by jurisdiction. In regard to federal excise taxes, Contractor shall include federal excise taxes only if, after thirty (30) calendar days written notice to Purchaser, Purchase has not provided Contractor with a valid exemption certificate from such federal excise taxes.

**11. CONTRACTOR SALES REPORTING; VENDOR MANAGEMENT FEE; & CONTRACTOR REPORTS.**

- 11.1. CONTRACT SALES REPORTING. Contractor shall report total Contract sales quarterly for this Cooperative Purchasing Agreement to Enterprise Services, as set forth below.
- (a) Contract Sales Reporting System. Contractor shall report quarterly Contract sales in Enterprise Services' Contract Sales Reporting System. Enterprise Services shall provide Contractor with a login password and a vendor number. The password and vendor number shall be provided to the Sales Reporting Representative(s) listed on Contractor's Bidder Profile.
  - (b) Data. Each sales report must identify every authorized Purchaser by name as it is known to Enterprise Services and its total combined sales amount invoiced during the reporting period (i.e., sales of an entire agency or political subdivision, not its individual subsections). The "Miscellaneous" option may be used only with prior approval by Enterprise Services. Upon request, Contractor shall provide contact information for all authorized Purchasers specified herein during the term of the Contract. If there are no Contract sales during the reporting period, Contractor must report zero sales.

- (c) Due dates for Contract Sales Reporting. Quarterly Contract Sales Reports must be submitted electronically by the following deadlines for all Contract sales invoiced during the applicable calendar quarter:

QUARTER	FOR SALES MADE IN CALENDAR QUARTER	CONTRACT SALES REPORT	
		DUE BY	PAST DUE
1	January 1 – March 31	April 30	May 1
2	April 1 – June 30	July 31	August 1
3	July 1 – September 30	October 31	November 1
4	October 1 – December 31	January 31	February 1

- 11.2. VENDOR MANAGEMENT FEE. Contractor shall pay to Enterprise Services a vendor management fee (“VMF”) of 1.25 percent on the purchase price for all Cooperative Purchasing Agreement sales (the purchase price is the total invoice price less applicable sales tax) under this Cooperative Purchasing Agreement.

- (a) The sum owed by Contractor to Enterprise Services as a result of the VMF is calculated as follows:

Amount owed to Enterprise Services = Total Contract  
sales invoiced (not including sales tax) x .0125.

- (b) The VMF must be rolled into Contractor’s current pricing. The VMF must not be shown as a separate line item on any invoice unless specifically requested and approved by Enterprise Services.
- (c) Enterprise Services shall invoice Contractor quarterly based on Contract sales reported by Contractor. Contractor is not to remit payment until Contractor receives an invoice from Enterprise Services. Payments must be received within thirty (30) calendar days of the invoice issue date from Enterprise Services. Contractor’s VMF payment to Enterprise Services must reference the invoice number.
- (d) Contractor’s VMF payment to Enterprise Services must reference this Contract number, the year and quarter for which the VMF is being remitted, and Contractor’s name as set forth in this Contract, if not already included on the face of the check.
- (e) Contractor’s failure to report accurate total net Contract sales, to submit a timely Contract sales report, or to remit timely payment of the VMF to Enterprise Services, shall be cause for Enterprise Services, at its discretion, to suspend Contractor or terminate this Contract or exercise remedies provided by law. Without limiting any other available remedies, the parties agree that Contractor’s failure to remit to Enterprise Services timely payment of the VMF shall obligate Contractor to pay to Enterprise Services, to offset the administrative and transaction costs incurred by the State to identify, process, and collect such sums, the sum of \$200.00 or twenty-five percent (25%) of the outstanding amount, whichever is greater, or the maximum allowed by law, if less.

- (f) Enterprise Services reserves the right, upon thirty (30) calendar days advance written notice, to increase, reduce, or eliminate the VMF for subsequent purchases, and reserves the right to renegotiate Contract pricing with Contractor when any subsequent adjustment of the VMF might justify a change in pricing.

11.3. ANNUAL CONTRACT SALES REPORT. Contractor shall provide to Enterprise Services a detailed annual Contract sales report. Such report shall include, at a minimum, the following:

- The Goods sold (including, as applicable, item number or other identifier);
- Per unit quantities sold;
- Items and volumes purchased by Purchaser;
- Shipment/delivery locations by Purchaser; and
- Contract price.

This report must be provided in an electronic format that can be read by Microsoft (MS) Excel. Such report is due within thirty (30) calendar days of the annual anniversary of the effective date of this Contract.

## 12. RECORDS RETENTION & AUDITS.

12.1. RECORDS RETENTION. Contractor shall maintain books, records, documents, and other evidence pertaining to this Cooperative Purchasing Agreement and orders placed by Purchasers under it to the extent and in such detail as shall adequately reflect contract performance and administration of purchases, payments, taxes, and fees. Contractor shall retain such records for a period of six (6) years following expiration or termination of this Cooperative Purchasing Agreement or final payment for any order placed by a Purchaser against this Cooperative Purchasing Agreement, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.

12.2. AUDIT. Enterprise Services reserves the right to audit, or have a designated third-party audit, applicable records to ensure that Contractor properly has invoiced Purchasers and that Contractor has paid all applicable vendor management fees to Enterprise Services. Accordingly, Contractor shall permit Enterprise Services, any Purchaser, and any other duly authorized agent of a governmental agency, to audit, inspect, examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Cooperative Purchasing Agreement or Purchase Orders placed by a Purchaser under this Cooperative Purchasing Agreement for the purpose of making audits, examinations, excerpts, and transcriptions. This right shall survive for a period of six (6) years following expiration or termination of this Cooperative Purchasing Agreement or final payment for any order placed by a Purchaser against this Cooperative Purchasing Agreement, whichever is later; *Provided*, however, that if any litigation, claim, or audit is commenced prior to the expiration of this period, such period shall extend until all such litigation, claims, or audits have been resolved.

12.3. OVERPAYMENT OF PURCHASES OR UNDERPAYMENT OF FEES. Without limiting any other remedy available to any Purchaser, Contractor shall (a) reimburse Purchasers for any overpayments inconsistent with the terms of this Cooperative Purchasing Agreement or Purchase Orders placed thereunder, at a rate of 125% of any such overpayments, found as a result of the examination of Contractor's records; and (b) reimburse Enterprise Services for any underpayment of vendor management fees, at a rate of 125% of such fees found as a result

of the examination of Contractor's records (e.g., if Contractor underpays the Vendor Management Fee by \$500, Contractor would be required to pay to Enterprise Services \$500 x 1.25 = \$625); *Provided*, however, that, in the event Contractor timely discovers and corrects any Purchaser overpayment or Contractor underpayment of vendor management fees and does so prior to the initiation of any audit, Contractor shall be entitled to reimburse Purchaser or pay to Enterprise Services the actual amount of such Purchaser overpayment or such underpayment of vendor management fees.

### 13. INSURANCE.

- 13.1. REQUIRED INSURANCE. Contractor, at its expense, shall maintain in full force and effect the insurance coverages set forth in ***Exhibit C – Insurance Requirements***. All costs for insurance, including any payments of deductible amounts, shall be considered incidental to and included in the prices for Goods and/or Services and no additional payment shall be made to Contractor.
- 13.2. WORKERS COMPENSATION. Contractor shall comply with applicable workers compensation statutes and regulations (e.g., RCW Title 51, Industrial Insurance). If Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, Enterprise Services may terminate this Cooperative Purchasing Agreement. This provision does not waive any of the Washington State Department of Labor and Industries (L&I) rights to collect from Contractor. If Contractor performs Services on Purchaser's behalf in the State of Washington, and only to the extent of claims against Contractor by Purchaser under the Indemnity obligations in this Cooperative Purchasing Agreement, Contractor expressly waives any immunity it may be granted under the Washington State Industrial Insurance Act, Title 51 RCW. Contractor's indemnification obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable to or for any third party under workers' compensation acts, disability benefit acts, or other employee benefit acts. The parties expressly acknowledge and certify that the waiver of immunity under Title 51 RCW was mutually negotiated and agreed upon.

### 14. CLAIMS.

- 14.1. ASSUMPTION OF RISKS; CLAIMS BETWEEN THE PARTIES. Contractor assumes sole responsibility and all risks of personal injury or property damage to itself and its employees and agents in connection with its operations under this Cooperative Purchasing Agreement. Enterprise Services has made no representations regarding any factor affecting Contractor's risks. Contractor shall pay for all damage to any Purchaser's property resulting directly or indirectly from Contractor's acts or omissions under this Contract.
- 14.2. THIRD-PARTY CLAIMS; GENERAL INDEMNITY. To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold Enterprise Services and any Purchaser and their employees and agents harmless from and against all claims, demands, judgments, assessments, damages, penalties, fines, costs, liabilities, or losses including, without limitation, sums paid in settlement of claims, attorneys' fees, consultant fees, and expert fees (collectively "Claims") to the extent arising out of Contractor's or its successors', agents', or subcontractors' negligence, other tortious fault, or intentional misconduct under this Cooperative Purchasing Agreement. The parties agree that if there are any limitations of Contractor's liability, including a limitation of liability clause for anyone for whom the Contractor is responsible,

such limitations of liability shall not apply to injuries to persons (including death), damages to property, data breach, and/or intellectual property infringement. Contractor shall take all steps needed to keep Purchaser's property free of liens arising from Contractor's activities, and promptly obtain or bond the release of any such liens that may be filed.

- 14.3. **INTELLECTUAL PROPERTY INDEMNITY.** To the fullest extent permitted by law, Contractor shall defend, indemnify, and hold Enterprise Services and any Purchaser and their employees and agents harmless from against any and all Claims resulting from allegations of infringement of any patents, copyrights, trade secret, or similar intellectual property rights covering the Goods provided, or the use of the Goods under this Cooperative Purchasing Agreement. If Purchaser's use of Goods provided by Contractor is enjoined based on an intellectual property infringement Claim, Contractor shall, at its own expense, either procure for Purchaser the right to continue using the Goods or, after consulting with Purchaser and obtaining Purchaser's consent, replace or modify the Goods and/or Services with substantially similar and functionally equivalent non-infringing Goods and/or Services.

15. **DISPUTE RESOLUTION.** The parties shall cooperate to resolve any dispute pertaining to this Cooperative Purchasing Agreement efficiently, as timely as practicable, and at the lowest possible level with authority to resolve such dispute. If, however, a dispute persists and cannot be resolved, it may be escalated within each organization. In such situation, upon notice by either party, each party, within five (5) business days shall reduce its description of the dispute to writing and deliver it to the other party. The receiving party then shall have three (3) business days to review and respond in writing. In the event that the parties cannot then agree on a resolution of the dispute, the parties shall schedule a conference between the respective senior managers of each organization to attempt to resolve the dispute. In the event the parties cannot agree, either party may resort to court to resolve the dispute.

**16. TERMINATION; EXPIRATION; SUSPENSION; & REMEDIES.**

- 16.1. **TERMINATION.** This Cooperative Purchasing Agreement may be terminated: (a) upon the mutual written agreement of the parties; (b) by the non-breaching party where the breach is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in this Cooperative Purchasing Agreement; and (c) as otherwise expressly provided for in this Cooperative Purchasing Agreement. This Cooperative Purchasing Agreement shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate this Cooperative Purchasing Agreement as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach shall not affect rights or obligations accrued or owed before the effective date of the termination notice.
- 16.2. **TERMINATION FOR NONAPPROPRIATION OR REDUCTION OF FUNDS OR CHANGES IN LAW.** Enterprise Services may suspend or terminate this Cooperative Purchasing Agreement and Purchasers may suspend or terminate applicable Purchase Orders, in whole or in part, at the sole discretion of Enterprise Services or, as applicable, Purchaser, if Enterprise Services or, as applicable, Purchaser reasonably determines that: (a) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Cooperative Purchasing Agreement or applicable Purchase Order; or (b) that a change in available funds affects Purchaser's ability to pay under the applicable Purchase Order. A

change of available funds as used in this section includes, but is not limited to a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor. If a written notice is delivered under this provision, Purchaser shall reimburse Contractor for Goods properly ordered and/or Services properly performed until the effective date of said notice. Except as stated in this provision, in the event of termination for nonappropriation or reduction of funds or changes in law, Purchaser shall have no obligation or liability to Contractor.

- 16.3. **TERMINATION FOR PUBLIC CONVENIENCE.** Enterprise Services, for public convenience, may terminate this Cooperative Purchasing Agreement; *Provided*, however, that such termination for public convenience must, in Enterprise Services' judgment, be in the best interest of the State of Washington; and *Provided further*, that such termination for public convenience shall only be effective upon sixty (60) calendar days prior written notice; and *Provided further*, that such termination for public convenience shall not relieve any Purchaser from payment for Goods already ordered as of the effective date of such notice. Except as stated in this provision, in the event of such termination for public convenience, neither Enterprise Services nor any Purchaser shall have any obligation or liability to Contractor.
- 16.4. **PURCHASER OBLIGATIONS – EXPIRATION.** Upon expiration of this Cooperative Purchasing Agreement, Purchaser shall accept and take delivery of all outstanding and not yet fulfilled Purchase Orders and pay Contractor the price as set out in the Cooperative Purchasing Agreement. Notwithstanding any provision to the contrary, in no event shall a Purchaser's Purchase Order pursuant to this Cooperative Purchasing Agreement that is executed prior to expiration of this Cooperative Purchasing Agreement allow for Contractor to provide Goods and more than twelve (12) months beyond the expiration date of the Cooperative Purchasing Agreement.
- 16.5. **CONTRACTOR OBLIGATIONS – EXPIRATION OR TERMINATION.** Upon expiration or termination of this Cooperative Purchasing Agreement, Contractor shall: (a) continue to fulfill its warranty obligations with respect to any Goods sold hereunder and all provisions of the Contract that, by their nature, would continue beyond the expiration, termination, or cancellation of the Cooperative Purchasing Agreement shall so continue and survive; and (b) promptly return to Purchaser all keys, badges, and other materials supplied by Purchaser for the performance of any Purchase Order entered into pursuant to this Cooperative Purchasing Agreement.
- 16.6. **DEFAULT.** Any of the following events shall constitute cause for Enterprise Services to declare Contractor in default of this Cooperative Purchasing Agreement:
- (a) Contractor fails to perform or comply with any of the terms or conditions of this Cooperative Purchasing Agreement;
  - (b) Contractor fails to timely report quarterly contract sales;
  - (c) Contractor fails to timely pay the vendor management fees when due;
  - (d) Contractor fails to maintain the insurance overages specified herein or timely provide to Enterprise Services the Certificate of Insurance and updates thereto specified herein; or
  - (e) Contractor breaches any representation or warranty provided herein.
- 16.7. **SUSPENSION & TERMINATION FOR DEFAULT.** Enterprise Services may suspend Contractor's operations under this Cooperative Purchasing Agreement immediately by written cure notice of any default. Suspension shall continue until the default is remedied to Enterprise Services'

reasonable satisfaction; *Provided*, however, that, if after thirty (30) calendar days from such a suspension notice, Contractor remains in default, Enterprise Services may terminate Contractor's rights under this Cooperative Purchasing Agreement. All of Contractor's obligations to Enterprise Services and Purchasers survive termination of Contractor's rights under this Cooperative Purchasing Agreement, until such obligations have been fulfilled.

16.8. REMEDIES FOR DEFAULT.

- (a) Enterprise Services' rights to suspend and terminate Contractor's rights under this Cooperative Purchasing Agreement are in addition to all other available remedies.
- (b) In the event of termination for default, Enterprise Services may exercise any remedy provided by law including, without limitation, the right to procure for all Purchasers replacement Goods. In such event, Contractor shall be liable to Enterprise Services for damages as authorized by law including, but not limited to, any price difference between the Cooperative Purchasing Agreement price and the replacement or cover price as well as any administrative and/or transaction costs directly related to such replacement procurement – e.g., the cost of the competitive procurement.

16.9. LIMITATION ON DAMAGES. Notwithstanding any provision to the contrary, the parties agree that in no event shall any party or Purchaser be liable to the other for exemplary or punitive damages; *Provided*, however, that nothing contained in this Section shall in any way exclude or limit: (a) a party's liability for all damages arising out of that party's intentional acts or omissions; (b) the operation of any Goods or Services warranty provided in this Cooperative Purchasing Agreement; or (c) damages subject to the Intellectual Property Indemnity section of this Cooperative Purchasing Agreement. Any limitation of either party's obligations under this Cooperative Purchasing Agreement, by delivery slips or other documentation is void.

16.10. SUSPENSION/TERMINATION PROCEDURE. Regardless of basis, in the event of suspension or termination (in full or in part), the parties shall cooperate to ensure an orderly and efficient suspension or termination. Accordingly, Contractor shall deliver to Purchasers all Goods and/or Services that are complete (or with approval from Enterprise Services, substantially complete) and Purchasers shall inspect, accept, and pay for the same in accordance with this Cooperative Purchasing Agreement and the applicable Purchase Order. Unless directed by Enterprise Services to the contrary, Contractor shall not process any orders after notice of suspension or termination inconsistent therewith.

16.11. PURCHASE ORDER TERMINATION. Purchaser Orders between Eligible Purchasers and Contractor may be terminated as follows: (a) upon the mutual written agreement of the parties to the Purchase Order; (b) by the non-breaching party where the breach of the Purchase order is not cured within thirty (30) calendar days after written notice of breach is delivered to the breaching party, unless a different time for cure is otherwise stated in the applicable Purchase Order; and (c) as otherwise expressly provided for in the applicable Purchase Order. Purchase Orders shall terminate automatically and without further action if a party becomes insolvent or is placed in receivership, reorganization, liquidation, or bankruptcy. In addition to any other available remedies, the non-breaching party may terminate the Purchase Order as provided in subsection (b) above without further liability by written notice to the breaching party. A termination for breach shall not affect rights or obligations accrued or owed before the effective date of the termination notice.

## **17. PUBLIC INFORMATION & PUBLIC RECORDS DISCLOSURE REQUESTS.**

- 17.1. WASHINGTON'S PUBLIC RECORDS ACT. Unless statutorily exempt from public disclosure, this Cooperative Purchasing Agreement and all related records are subject to public disclosure as required by Washington's Public Records Act, RCW 42.56.
- 17.2. CONTRACTOR OBLIGATION. Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records provided to Enterprise Services that Contractor believes are statutorily exempt from disclosure and identify the precise statutory basis for exemption from disclosure. In addition, if, in Contractor's judgment, certain portions of such records are not statutorily exempt from disclosure but are sensitive because particular portions of Contractor's records (NOT including pricing) include highly confidential, proprietary, or trade secret information (or the equivalent) that Contractor protects through the regular use of confidentiality or similar agreements and routine enforcements through court enforcement actions, Contractor shall identify and mark the precise portion(s) of the relevant page(s) of any records that include such sensitive information.
- 17.3. ENTERPRISE SERVICES' OBLIGATION. In the event that Enterprise Services receives a public records disclosure request pertaining to records that Contractor has submitted and marked either as (a) statutorily exempt from disclosure; or (b) sensitive, Enterprise Services, prior to disclosure, shall do the following: Enterprise Services' Public Records Officer shall review any records marked by Contractor as statutorily exempt from disclosure. In those situations, where the designation comports with the stated statutory exemption from disclosure, Enterprise Services shall redact or withhold the record(s) as appropriate. For records marked 'sensitive' or for records where Enterprise Services determines that no statutory exemption to disclosure applies or is unable to determine whether the stated statutory exemption to disclosure properly applies, Enterprise Services shall notify Contractor, at the address provided in the Contract, of the public records disclosure request and identify the date that Enterprise Services intends to release the record(s) (including records marked 'sensitive' or exempt from disclosure) to the requester unless Contractor, at Contractor's sole expense, timely obtains a court order enjoining Enterprise Services from such disclosure. In the event Contractor fails to timely file a motion for a court order enjoining such disclosure, Enterprise Services shall release the requested record(s) on the date specified. Contractor's failure properly to identify exempted or sensitive information or timely respond after notice of request for public disclosure has been given shall be deemed a waiver by Contractor of any claim that such records are exempt or protected from public disclosure.

## **18. GENERAL PROVISIONS.**

- 18.1. TIME IS OF THE ESSENCE. Time is of the essence for each and every provision of this Cooperative Purchasing Agreement.
- 18.2. COMPLIANCE WITH LAW. Contractor shall comply with all applicable law. Contractor shall obtain all necessary permits and approvals and give all stipulations, certifications, and representations that may be required for it to perform this Cooperative Purchasing Agreement.

18.3. NONDISCRIMINATION.

- (a) Nondiscrimination Requirement. During the term of this Cooperative Purchasing Agreement, Contractor, including any subcontractor, shall not discriminate on the bases enumerated at RCW 49.60.530(3). In addition, Contractor, including any subcontractor, shall give written notice of this nondiscrimination requirement to any labor organizations with which Contractor, or subcontractor, has a collective bargaining or other agreement.
- (b) Obligation to Cooperate. Contractor, including any subcontractor, shall cooperate and comply with any Washington state agency investigation regarding any allegation that Contractor, including any subcontractor, has engaged in discrimination prohibited by this Cooperative Purchasing Agreement pursuant to RCW 49.60.530(3).
- (c) Default. Notwithstanding any provision to the contrary, Enterprise Services may suspend Contractor, including any subcontractor, upon notice of a failure to participate and cooperate with any state agency investigation into alleged discrimination prohibited by this Cooperative Purchasing Agreement, pursuant to RCW 49.60.530(3). Any such suspension will remain in place until Enterprise Services receives notification that Contractor, including any subcontractor, is cooperating with the investigating state agency. In the event Contractor, or subcontractor, is determined to have engaged in discrimination identified at RCW 49.60.530(3), Enterprise Services may terminate this Cooperative Purchasing Agreement in whole or in part, and Contractor, subcontractor, or both, may be referred for debarment as provided in RCW 39.26.200. Contractor or subcontractor may be given a reasonable time in which to cure this noncompliance, including implementing conditions consistent with any court-ordered injunctive relief or settlement agreement.
- (d) Remedies for Breach. Notwithstanding any provision to the contrary, in the event of termination or suspension for engaging in discrimination, Contractor, subcontractor, or both, shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Cooperative Purchasing Agreement and the replacement or cover contract and all administrative costs directly related to the replacement contract, which damages are distinct from any penalties imposed under Chapter 49.60, RCW. Enterprise Services and/or Purchasers shall have the right to deduct from any monies due to Contractor or subcontractor, or that thereafter become due, an amount for damages Contractor or subcontractor will owe Enterprise Services and/or Purchasers for default under this provision.

18.4. ENTIRE AGREEMENT. This Cooperative Purchasing Agreement constitutes the entire agreement and understanding of the parties with respect to the subject matter and supersedes all prior negotiations, representations, and understandings between them. There are no representations or understandings of any kind not set forth herein.

- 18.5. AMENDMENT OR MODIFICATION. Except as set forth herein, this Cooperative Purchasing Agreement may not be amended or modified except in writing and signed by a duly authorized representative of each party.
- 18.6. AUTHORITY.
