Limited Warranty Statement

All VSG serialized and capital equipment are warranted to the original owner. **Important: The warranty period begins once the lift is invoiced to an authorized Distributor/ Purchaser/ Account. This date can be adjusted by submitting the Warranty Activation Form indicating the installation date or by proof of purchase. The warranty period can only be adjusted for a period of 6 months after the original ship date unless approved by VSG Customer Service.** VSG shall repair or replace those parts returned to the factory, which prove upon inspection to be defective, and pay for reasonable costs of transportation and/or labor for replacement of said parts for the warranty period as stated above. Items replaced under warranty will assume the warranty of the original item. This warranty shall not apply unless the product is installed, operated, used and maintained in accordance with specifications as set forth in installation, operation and maintenance instructions. This warranty does not cover normal maintenance or adjustments, damage or malfunction caused by improper handling, installation, abuse, misuse, negligence, carelessness of operation, or normal wear and tear. In addition, this warranty does not cover equipment when unauthorized repairs or alterations have been attempted or made to the product.
