The Extreme Sports Dome in Fort Gratiot is closed today after three children suffered from carbon monoxide poisoning after being in it Monday night, said Jorja Baldwin, township zoning administrator.

The dome opened in November with a motocross course inside. Baldwin said the township is taking steps to ensure no one else gets sick.

"What we're going to require is that no bikes will be permitted to run until it's proven the levels of carbon monoxide are safe," she said.

The boys were taken to the hospital where they were treated for carbon monoxide poisoning and released, said Tom Wille, their grandfather.

It is posted on the dome website the facility is closed due to mechanical difficulties and is expected to open Jan. 1.
